### AFFORDABLE HOUSING PURCHASE SCHEME

#### FREQUENTLY ASKED QUESTIONS

##### **What is the Affordable Housing Scheme?**

Under the 'Local Authority Affordable Purchase Scheme', Kildare County Council is making new homes available for purchase by eligible applicants at reduced prices. In return, Kildare County Council will take a percentage equity stake in the Affordable Purchase home. The Council's equity stake will be equal to the discount of the purchase price from the full market value of the home. For example, if an eligible applicant purchases a home at a 20% discount, Kildare County Council will take a 20% equity interest in the home.

##### **How does the Scheme work?**

The main points of the Scheme are as follows:

- The Scheme is for first-time buyers (along with some exceptions) who cannot afford to purchase a home at market value.
- The Scheme applies to specific new-build houses and apartments.
- The Affordable Home will be the principal private residence of the purchaser.
- Applicants who are married, in a civil partnership or in a committed relationship with a partner with whom he/she they intend to live in the affordable dwelling, may not apply for an affordable dwelling on his/her their own but must apply jointly his/her their spouse/partner.
- To participate in the Scheme, applicants will be required to maximise their mortgage drawdown capacity (four times a household income), from a participating bank, lender or Local Authority Home Loan. Participating banks include Bank of Ireland, Allied Irish Bank, Permanent TSB, EBS, Avant Money and Haven Mortgages.
- The maximum financial support (equity share), available on each home will be established by Kildare County Council.
- The equity share ranges available on this scheme can be viewed on our [website](#).
- All purchasers must sign up to an 'Affordable Dwelling Purchase Arrangement' with Kildare County Council. Under this arrangement the Council will take a percentage equity share in the dwelling, equal to the difference between the

market value of the dwelling and the price paid by the purchaser, expressed as a percentage of the market value of the dwelling.

- The equity share required will not be less than 5% of the market value of the dwelling.
- The purchaser can buy out this equity share at a time of their choosing but there will be no requirement to do so.
- The Council may not seek realisation of its affordable dwelling equity for a 40-year period (other than for breach of the agreement). However, the purchaser may choose to redeem or buy out the affordable dwelling equity at any time by means of one or a series of payments to the Council. The minimum amount of redemption payment is €10,000.
- If the purchaser chooses not to redeem the equity share while living in the home, the local authority can do so when the property is sold or transferred, or after the death of the owner.

In the online application process, applicants will have to submit a fully completed application form with all declarations completed.

A documentation checklist is available [here](#) which outlines what documents are required. You are required to submit all required documents at the time of assessment of your application.

### **What is meant by market value?**

The market value of a property is the price for which the property would be expected to achieve on the open market. A valuation will be required when a redemption payment is being made by the purchaser, as outlined in the Affordable Dwelling Purchase Arrangement.

### **What is meant by affordable purchase price?**

The affordable purchase price for a property is the price that the applicant will pay for the property after the discount has been applied to the market value. This price is based on an applicant's income and purchasing capacity. The Council will provide and "Affordable Dwelling Contribution" to reduce the purchase price payable for successful applicants. This discount gives the minimum purchase price, which is the affordable purchase price of these properties. Discounts are dependent on successful applicants, income, deposit, help to buy support and savings.

### **Do I need mortgage approval to apply for an Affordable Housing Scheme?**

Applicants must apply for the maximum mortgage available to them. This will determine the equity percentage Kildare County Council cover, and the property type they qualify for. **It is recommended applicants have mortgage approval in principle prior to applying for this Scheme. You are required to have mortgage approval at the time of the assessment of your application.**

### **What is meant by Equity Share?**

Kildare County Council will retain an Equity Share in the property, equal to: The difference between the open market value of the dwelling and the Purchase Price paid by successful applicants expressed as a percentage of the Open Market Value of dwelling. Kildare County Council may not seek realisation of this Equity Share for a 40-year period (with exception where a breach of the agreement occurs). However, successful

affordable purchasers can choose to redeem or purchase the Equity Share in the dwelling at any time by means of one or a series of payments to Kildare County Council. The minimum amount of redemption payment is €10,000.

**Note:** If the property is sold, the value of the percentage Equity Share must be repaid in full to Kildare County Council.

### **How is the affordable purchase price calculated?**

Example – Property with a Market Value of €395,000  
The below examples show varying incomes and how they determine the affordable purchase price and the Council's equity share of a property with a market value of €395,000. These are examples only.

Example Based on 3 bed Semi Detached House Minimum Prices

<b>Gross household income</b>	<b>Mortgage (income x 4)</b>	<b>Deposit (Minimum 10%)</b>	<b>Purchasing Power, (Mortgage Deposit)</b>	<b>KCC + Contribution</b>	<b>KCC Equity Share</b>	<b>Total Cost</b>
€73,000	€292,000	€29,200	€321,200	€73,800	19%	€395,000
€77,000	€308,000	€30,800	€338,800	€56,200	14%	€395,000

The higher an applicant's purchasing power is, the more they will contribute to the price and the less equity the Council will take.

### **How is my purchasing capacity calculated?**

The purchasing capacity of applicants will be calculated as the combined total of:

- Maximum mortgage capacity, i.e., 4 times gross household income  
Plus
- A minimum deposit of 10% of the affordable purchase price  
Plus
- In limited circumstances, any relevant savings, i.e., any savings in excess of the combined sum of the required deposit amount plus €30,000 may be taken into account.

### **How much of a deposit do I need?**

Financial institutions require that a minimum 10% deposit must be raised from applicants' own resources. Example: For a property with a market value of €350,000 you will need a deposit of at least €35,000. The Help to Buy (HTB) Scheme operated by The Revenue Commissioners can be utilised towards this deposit amount where the applicant does not have savings to account for same.

### **Will I require a solicitor?**

Yes, you will require a solicitor to do the conveyancing (legal work involved in buying a property). You can use the [Law Society's website](#) to find a solicitor in your area.

### **Do I have to pay Stamp Duty?**

Yes. This amount is payable by you to the Revenue Commissioners. Stamp Duty is calculated on the full Market Value of the house. Your Solicitor will calculate how much stamp duty is due.

### **How is a decision made on my application?**

The decision on your application is made by Kildare County Council in accordance with the eligibility criteria set out in this document and a [Scheme of Priority](#) adopted by Kildare County Council on 24 October 2022. Properties will be allocated on a first come first served basis. Kildare County Council will contact all **successful** applicants.

### **How will I know if my application has been successful?**

After the online application portal closes and Kildare County Council complete the assessment process, **successful applicants will be contacted by email as soon as possible**. Kildare County Council will then instruct the developer/nominated sales agent to contact you to progress your application. **Once all homes have been allocated, the unsuccessful applicants will be notified via email.**

### **Can I avail of the First Home Scheme to assist in buying an affordable home?**

No. The First Home Scheme is a separate shared equity scheme with different qualifying criteria and cannot be used in conjunction with the Affordable Purchase Scheme.

The properties provided under each scheme are different. Properties under the Affordable Purchase Scheme are provided by local authorities or through arrangements with local authorities as specified in [sections 6\(1\) and \(2\)](#) of the Affordable Housing Act 2021. The First Home Scheme is only available for houses or apartments in private

developments, sold by private developers. The [First Home Scheme brochure](#) defines private developments: *A private development consists of houses or apartments built by a third party for private purchase.* There are no properties that would qualify for both schemes.

### **If I am approved for the scheme, where can I apply for a loan?**

Finance can be secured from the participating banks including Bank of Ireland, Allied Irish Bank, Permanent TSB, EBS, Avant Money and Haven Mortgages. Finance can be sourced via Kildare County Council by way of a Local Authority Home Loan.

Applications for Local Authority Home Loans should be made to Local Authority Home Loans Section, Housing Department, Kildare County Council, Aras Chill Dara, Devoy Park, Naas, Co. Kildare.

Email: [housingloans@kildarecoco.ie](mailto:housingloans@kildarecoco.ie).

- If a home is being sold under a Local Authority Affordable Purchase scheme, the relevant price for the determination of the home's eligibility for the Local Authority Home Loan is the '**purchase price**' determined by the relevant local authority for that Affordable Purchase home.
- Applicants can borrow up to 90% of the purchase price for a home under the Affordable Housing Schemes within the house price limits set out for the Local Authority Home Loan. A deposit of at least 10% of the purchase price is also required.
- Regardless of the market value, if the '**purchase price**' is below the relevant maximum price under the Local Authority Home Loan for that local authority, it is eligible to be purchased using the Local Authority Home Loan scheme.

Click [here](#) for more information about the Local Authority Home Loan.

### **Can the Council demand repayment of the "Affordable Dwelling Equity"? (Other Equity Realisation Events)**

The Council can demand the repayment of the affordable dwelling equity by serving a Realisation Notice on the homeowner on the occurrence of certain realisation events which are set out in the Affordable Housing Act 2021.

A Realisation Notice will specify a period (not shorter than three months commencing on the service of the notice) after which the Council will be entitled to realise the affordable dwelling equity. The procedure for this arrangement will be clearly set out in the Affordable Dwelling Purchase Arrangement.

### **What is an Affordable Dwelling Purchase Arrangement?**

The Affordable Dwelling Purchase Arrangement is the legal agreement or contract between the Council and the purchaser setting out the terms and conditions under which the Council provides the Affordable Dwelling Contribution.

Each successful applicant will enter into an Affordable Dwelling Purchase Arrangement with Kildare County Council. The agreement covers the obligations of the purchaser and the Council and makes provision for the registration of the agreement with the Registry of Deeds/Land Registry. The agreement will also set out how and when the homeowner can make redemption payment(s) to reduce the Council's affordable dwelling equity share as well as the conditions under which the Council may seek redemption of the affordable dwelling equity.

Successful applicants will be required to enter into a Contract for Sale with the developer in order to complete the purchase of the affordable home. This Contract of Sale will include all standard conveyancing terms and conditions and the developer will also require confirmation of the purchasers' Affordable Dwelling Purchase Agreement with the Council.
