

Table of Contents

1.0 INTRODUCTION	1		
1.1 Preparation of Report	1		
1.2 The Constraints Study and Scheme Progression.....	1		
1.3 Location of Scheme and Need for Upgrade.....	1		
1.4 Description of the Study Area.....	1		
1.5 Adjacent Schemes	2		
1.6 Mapping.....	2		
1.7 Windscreen Survey	2		
2.0 FIRST PUBLIC CONSULTATION	3		
2.1 Background	3		
2.2 Issues raised.....	3		
3 HIGHWAYS AND TRAFFIC ISSUES	4		
3.1 Existing Standards.....	4		
3.2 Traffic.....	4		
3.3 Origin-Destination Survey	5		
3.4 Safety.....	5		
3.5 Public Transport	7		
3.6 Structures and Drainage Issues.....	7		
4.0 ENVIRONMENTAL ISSUES & CONSTRAINTS	7		
4.1 Land Use.....	7		
4.1.1 Introduction	7		
4.1.2 Housing / Development	7		
4.1.3 Commercial / Industrial.....	7		
4.1.4 Amenity / Tourism	8		
4.1.5 Natural Areas.....	8		
4.2 Land Ownership	8		
4.3 Agriculture	8		
4.3.1 Farm Type, Farm Size and Crop Type.....	8		
4.3.2 Rural Environment Protection Scheme (REPS).....	9		
4.3.3 Soil Type	9		
4.3.3.1 Soil Association 8.....	9		
4.3.3.2 Soil Association 1.....	9		
4.3.3.3 Soil Association 9.....	9		
4.3.4 Agricultural lands in the study area	10		
4.3.4.1 Grassland farms.....	10		
4.3.4.2 Dairy farms.....	10		
4.3.4.3 Tillage farms.....	10		
4.3.4.4 Equine Enterprises	10		
4.3.4.5 Poultry Enterprises.....	10		
4.3.5 Land based sports enterprises.....	10		
4.3.6 Agri-businesses	11		
4.4 Planning.....	11		
4.4.1 Wicklow.....	11		
4.4.2 Kildare.....	12		
4.4.3 South Dublin	13		
4.4.4 Road Policy Guidelines	15		
4.5 Local Economy and Tourism	16		
4.5.1 Introduction	16		
4.5.2 South Dublin County	16		
4.5.3 Wicklow County	16		
4.5.4 Kildare County	17		
4.6 Archaeology	17		
4.6.1 Record of Monuments & Places (RMP).....	17		
4.6.2 National Monuments.....	22		
4.6.2.1 National Monuments in State Ownership or Guardianship	22		
4.6.2.2 National Monuments in the Guardianship of a Local Authority and/or The Church.....	22		
4.6.3 Monuments covered by Preservation Orders.....	23		
4.6.4 Sites listed in the Register of Historic Monuments	23		
4.6.5 Areas of archaeological importance and potential as highlighted in County Development Plans	23		
4.6.6 Areas with a high density of recorded archaeological monuments.....	23		
4.6.7 Areas of historical significance.....	24		
4.6.8 Areas in which literary sources suggest archaeological features may be present	24		
4.6.9 Rivers and waterways.....	24		
4.6.10 Areas under peaty or marshy land	24		
4.7 Architectural Heritage	25		
4.7.1 Protected Structures.....	25		
4.7.2 National Inventory of Architectural Heritage (NIAH) structures.....	26		
4.7.3 Areas of architectural importance and potential as highlighted in County Development Plans	29		
4.7.4 Discussion of a selection of sites of architectural significance within study area	29		
4.7.5 Areas of architectural significance.....	29		
4.8 Cultural Heritage.....	30		
4.9 Ecology.....	30		
4.9.1 Designated Conservation Areas	30		
4.9.1.1 Special Areas of Conservation (SAC).....	30		
4.9.1.2 Special Protection Area (SPA)	30		
4.9.1.3 National Heritage Area (NHA)	30		
4.9.1.4 Designated Conservation Areas Within Study Area.....	31		
4.9.1.5 Designated Conservation Areas Within 10km of Study Area	31		
4.9.2 Non-Designated Sites of Potential Ecological Value.....	31		
4.9.3 Rare and protected Plant and Animal Species	32		
4.9.3.1 Flora	32		
4.9.3.2 Fauna.....	32		
4.9.3.3 The Aquatic Environment.....	32		

4.10 Soil, Geology, Hydrology and Hydrogeology	33
4.10.1 Introduction	33
4.10.2 Topography	33
4.10.3 Geology	33
4.10.3.1 Silurian Metasediments	33
4.10.3.2 Granites and Other Intrusive Rocks	33
4.10.3.3 Ordovician Metasediments	33
4.10.3.4 Karst Features	33
4.10.3.5 Soils & Subsoils	33
4.10.3.6 Land Use	34
4.10.3.7 Contaminated Land	34
4.10.3.8 Extraction Industries	34
4.10.3.9 Geological Heritage	35
4.10.4 Hydrology	35
4.10.4.1 Surface Water	35
4.10.4.2 Flooding	35
4.10.4.3 Water Supply	36
4.10.5 Hydrogeology	36
4.10.5.1 Aquifers	36
4.10.5.2 Groundwater Vulnerability	37
4.10.5.3 Source Protection Areas	37
4.11 Noise and Air Quality	37
4.11.1 Noise	37
4.11.2 Air Quality	38
4.12 Services & Utilities	39
4.12.1 Water Supply	39
4.12.2 Sewerage	40
4.12.3 Cable Television	40
4.12.4 Gas	40
4.12.5 Electricity	40
4.12.6 Telecommunications	40
4.13 Topographical Survey	40
5.0 CONCLUSIONS & RECOMMENDATIONS	41
6.0 REFERENCES & BIBLIOGRAPHY	42
7.0 FIGURES	
8.0 APPENDICES	

List of Tables

Table 3.2.1: NRA Traffic Volumes for N81 between Tallaght & Hollywood Cross	4
Table 3.4.1: N81 Safety Review of Junctions	6
Table 3.4.2: Accident Data	6
Table 4.3.1.1: Farms classified by farm type within affected D.E.D.'s and Nationally	9

List of Appendices

APPENDIX A:

A.1: Postal Delivery Zones

A.2: Public Consultation Brochure (Front)

A.3: Public Consultation Brochure (Back)

A.4: Public Consultation Questionnaire

APPENDIX B:

B.1: Traffic Accident Data

B.2: Bus Service Timetables

APPENDIX C:

C.1: Planning Applications

C.2: Commercial Buildings

C.3: Consultee List
