Your Comments Are Important

Kildare National Roads Design Office is seeking the co-operation and understanding of the public in relation to the advancement of the project. As well as having strategic national implications, the project could potentially impact directly or indirectly on people and property within or adjacent to the study area. We would welcome any submissions relating to the Constraints Study. Please carefully study the area shown on this brochure and let your comments be known by submitting them to the address below on or before the 9th November, 2008. Your comments will be appreciated and carefully considered.

Meetings:

Tues, 7th Oct. 1pm - 8pm: Ardenode Hotel, Ballymore Eustace
Wed, 8th Oct. 1pm - 8pm: Avon Ri, Burgage, Blessington
Thurs, 9th Oct. 1pm - 8pm: The Plaza Hotel, Tallaght

All enquiries to: *Chris Hoban, Project Engineer - N81 Hollywood Cross to Tallaght Road Improvement Scheme, Kildare National Roads Design Office, Maudlins, Naas, Co. Kildare.*

Tel: (045) 898199
Fax: (045) 875845
Email: n81project@kildarenrdo.com

What Happens Next?

Following the release of this public information brochure, it is intended that Kildare National Roads Design Office will hold public consultation meetings with the public. Locations and times of these meetings are detailed on this brochure. A Questionnaire/Comment Form will be available at these meetings.

A review of all information gathered from these public consultations will occur and will be included in the constraints report. This will be used to define a number of route corridor alternatives.

A second public consultation will then be held when the public can be presented with the route options that have been developed. After this second public consultation, a review of the options will be undertaken. This will take into account your comments and all environmental, engineering and economic aspects of the proposed route options.

After this review, a route selection report shall be published.

Thank you for your interest and assistance.

Constraints Study Public Consultation

Kildare National Roads Design Office
October 2008

A.3 PUBLIC CONSULTATION BROCHURE (BACK)

Introduction

Kildare National Roads Design Office, in conjunction with Kildare, South Dublin and Wicklow County Councils are in the process of carrying out a constraints study for the improvement of the N81 National Secondary route between Hollywood Cross and Tallaght. Funding for the project will be provided by the National Roads Authority.

The purpose of the study is to identify the physical and environmental constraints and to determine all the local and national issues that must be taken into consideration prior to the development of alternative routes for the new roadway. The area for which the constraints study is being undertaken is shown on the adjacent map.

Current Position

We are currently involved in the preparation of the Constraints Study Report. This includes the examination of the following:

- Available mapping and photography
- Planning search
- Drainage (Streams, Rivers, Groundwater, Flooding, etc.)
- Archaeology
- Ecology
- Utilities including electricity, sewerage, gas, water, telecommunications, etc.
- Geology, Hydrology, Hydrogeology
- Traffic History
- Accident Data
- Local Economy / Business / Tourism
- Future Development
- Public Information Sessions

A.4 PUBLIC CONSULTATION QUESTIONNAIRE
