**Policy Theme Boundary** 

MG Bryan Kennedy County Development Plan 2004 Inaspects

The village boundary as shown is a policy boundary and is designated as an objective under the provisions of Section 10. (2)(e)(h) & (1) of the Planning and Development Act, 2000 and should not be construed as 'zoned lands' under the provisions of the Act, Section 10. (2)(a).

Furthermore the plainting authority may review the boundary or prepare a Local Area Plan during the period of the plan if it so resolves.

The written statement takes precedence over the maps should any discrepancy arise between them.
