New Rathangan Area Plan

I recently attended a public meeting where the new Area Plan was on display and discussed.

As the outgoing Chairman of Rathangan GAA I can recall a meeting between club members, local politicians and members of the Rathangan children's play ground group. At that meeting the GAA offered a site for the play ground.

I was very surprised to hear that Tannery Park was now the proposed site for the play ground.

I believe choosing this site would be a mistake and disrupt a beautiful amenity park.

I suggest an alternative site be used.
