DEVELOPMENT AREA (KDA)

1. The council should reinstate the previous objective removed from plan - 'To protect the amenity of St. Catherine's Park. "No road proposal shall be considered by this Council through the park within the Council's ownership or jurisdiction.' In a complete "U" turn the council is now in fact proposing a road into the park to facilitate a major housing development at Black Avenue. In 2017 - 1021 submissions regarding protection of St. Catherine's Park from road development.

2. This Key Development Area was removed from the last Local Area Plan by unanimously backed Material Alterations.

3. This proposed development is contrary to S6 – "To phase significant future growth in line with the capacity and delivery of supporting physical infrastructure" The existing water, waste & power supply infrastructure which is aging and faulty are unable to support developments of this scale. The towns infrastructure is already strained and is evidenced by power cuts, water leaks and ongoing stench in the middle of our town from the existing houses. There is limited capacity at the water treatment works. Improvement works earliest will take place is Q4 - 2022.

4. This development is contrary to the MASP which clearly states "The integration of transport and land use planning with significant new housing development to be focused at locations proximate to high quality public transport, especially rail access, that is easily accessible to existing local infrastructure such as schools, and local services such as neighbourhood centres, in the interest of a sustainable pattern of urban development; "

5. This proposed development is contrary to MT3.8 "To ensure that any significant new development takes place in proximity to public transport routes and can be add
