I agree that house are need . I agree people would want to live in leixlip- we have excellent transport link the fact that already they are already operating ar maximum capacity needs addressing. The plans for confey leave alot to be desired. Already as a Riverforest resident there is major yraffic delayys at peak times getting in and out of the estate. Cope bridge is hardly able to cope with the volume of tragfic already using it .
But most disappointing is your plan for confey gaa. Which is not nder utilised which
