KDA Black Avenue - We would like to register our opposition to the proposed residential zoning of lands adjacent to the Black Avenue for the following reasons:-

(1) Enormous increase in vehicular traffic onto Mill Lane which is already congested and only capable of single lane traffic. (2) Yet another attempt to diminish St. Catherine's Park, an amenity primarily provided to the residents of Leixlip by Fingal and SDCC. (3) permitting 24 hour vehicular access to the park with the potential for further dumping and anti social behaviour. (4) Adding additional volume to a sewage treatment plant that is already emitting fould odours. (5) the Black Avenue appears to be incapable of being widened to provide adequate access as envisaged given the current pinch points.

Amenities in General: The omission of a swimming pool for leixlip from the LAP is unacceptable. Given the large and expanding population and the general acceptance of the benefits of exercise, one would assume that KCC would have provided this long promised (40 years) facility.
