Previous objective removed from Plan - 'To protect the amenity of St.Catherine's Park. No road proposal shall be considered by this Council through the park within the Council's ownership or jurisdiction.' In a complete "U" turn the LAP is now in fact proposing a road into the park to facilitate a major housing development at Black Avenue. This change is despite 1021 submissions in 2017 regarding protection of St Catherine's Park from road development. To totally ignore the people is dictatorial and undemocratic.
