All submissions will be published on our website. Please do not include any personal information in your submission (e.g. your address, names of children, phone number, email etc)

Please state the Material Alteration(s) your submission refers to *

Objection against this development as leixlip is beyond capacity for housing. Traffic is horrendous with no sight of improvement. Water quality in the town is terrible. Smell from sewer in the village due to capacity issues never resolved. Not enough school places doctors dentists. Not enough activities for young people. Less and less green green spaces. No swimming pool. Access to proposed development would be a disaster for current residents. No medical centre for extra people.

The material alteration report can be viewed at <http://kildare.ie/CountyCouncil/Planning/DevelopmentPlans/LocalAreaPlans/LeixlipLocalAreaPlan2020-2026/>

Type your submission here and/or upload attachment below *

Objection against this development as leixlip is beyond capacity for housing. Traffic is horrendous with no sight of improvement. Water quality in the town is terrible. Smell from sewer in the village due to capacity issues never resolved. Not enough school places doctors dentists. Not enough activities for young people. Less and less green green spaces. No swimming pool even though towns much smaller have them. Access to proposed development would be a disaster for current residents. Not enough Garda cover in the town has led to antisocial behaviour and petty crime. Irish water have voiced concern about capacity issues in leixlip. Damage to the historic aspect of Guinness castle which is part of the fabric of leixlip especially since the wonderful barn has been ruined by the housing development there despite it's UNESCO status and many objections. Inadequate fire service for town of its current size. The town is on a downward trend please don't make it worse by granting permission to this development.
