Part 8 Report for Anne Street, Prosperous

The members considered the Part 8 Report for Anne Street, Prosperous.

Mr Creighton gave a presentation to the members on the report. Councillor Weld advised that there are issues of a sensitive nature regarding this proposal, mainly due to anti social behaviour. He advised that this has been discussed at Strategic Policy Committee and that the area needs special attention. If more houses are to be built, relevant special support needs to be available in the area. Councillor McEvoy spoke of an anomaly regarding the Joint Policing Committee (JPC). The members meet with Leixlip Garda station but this station does not have jurisdiction over Prosperous, which is covered by Naas Garda station. He asked if a meeting could be arranged with the sergeant in Naas and if the District Manager could help to liaise.

Mr T McDonnell, Director of Services stated that he accepts the contributions of the members but that the item on the agenda is to adopt the Part 8. There is an urgent need for housing and the council are utilising their own land as best they can by providing these 12 units.

Resolved on the proposal of Councillor McEvoy, seconded by Councillor Durkan and agreed by all members that the Part 8 Report for Anne Street, Prosperous be adopted and a meeting be arranged with the Garda Sergeant in Naas be arranged.
