Part 8 Report, Highfield, Kilcock

The members considered the Part 8 Report for Highfield, Kilcock.

The Director of Services informed the members that there was an issue on site regarding the ESB infrastructure. There was a wayleave required for the original Part 8 and there was now a conflict between the amount of space needed by the ESB and the garden of the last dwelling. It was proposed to reduce the number of dwellings from 20 to 19, with the last dwelling being a larger, accessible house for disabled persons. He also informed the members that the Planning Department have recommended that the Part 8 be approved with the amendment.

Resolved on the proposal of Councillor Weld, seconded by Councillor Ó Cearúil that the Part 8 Report for Highfield, Kilcock be adopted with the modifications as presented.
