

COMHAIRLE CONTAE CHILL DARA

KILDARE COUNTY COUNCIL

Record of Executive Business and Chief Executive's Orders

Planning and Development Act 2000 (as amended) – Part XI
Planning and Development Regulations 2001 (as amended) – Part 8

Proposed development at 1 Maddenstown Terrace, Maddenstown North, Curragh, Co. Kildare. R56 T183.

Environmental Impact Assessment (EIA) Screening Determination

Pursuant to the requirements of the above, Kildare County Council is proposing a residential extension at 1 Maddenstown Terrace, Maddenstown North, Curragh, Co. Kildare. R56 T183.

The proposed development comprises:

- Demolition of unauthorized 2 storey rear extension.
- Construction of a new single storey rear extension and Internal alterations, retro-fit fabric upgrades to the existing dwelling.
- Boundary walls including - new 2.1m high rear garden walls, new masonry bin store to the front garden.
- Associated site development works

Having regard to EIA Directive 2011/92/EU as amended by Directive 2014/52/EU (the EIA Directive), the guidance contained in: "*Environmental Impact Assessment (EIA) Guidance for Consent Authorities regarding Sub-Threshold Development*" (published by the Department of Environment, Heritage and Local Government in 2003); "*Environmental Impact - Assessment of Projects - Guidance on Screening*" (published by the European Commission in 2017); "*Guidelines for Planning Authorities and An Bord Pleanála on carrying out Environmental Impact Assessment*" (published by the Department of Housing, Planning and Local Government in 2018); and on the basis of the information provided in the "*Environmental Impact Assessment Screening Report*", Kildare County Council, as the Competent Authority, determines that the proposed development, individually, and in combination with other plans and projects, does not require an Environmental Impact Assessment.

It is considered that the Screening Report has been carried out giving full consideration to the EIA Directive and in particular to Annex I, II and III of that Directive, which set out requirements for mandatory and sub-threshold EIA.

As the proposed development is sub-threshold, it has, therefore, been assessed on a case-by-case basis in accordance with the criteria for determining whether or not a development

would or would not be likely to have significant effects on the environment as outlined within Annex III of the EIA Directive.

It is further considered that the Screening Report contains a fair and reasonable assessment of the likelihood of significant effects of the proposed project on the environment, having regard to the foregoing and in particular:

- The size and design of the whole project;
- Cumulation with other existing and/or proposed projects;
- The use of natural resources, in particular land, soil, water and biodiversity;
- The production of waste;
- Pollution and nuisance;
- The risk of major accidents and/or disasters which are relevant to the project concerned, including those caused by climate change, in accordance with scientific knowledge; and
- The risk to human health (for example due to water contamination or air pollution).

It is considered that the screening report provides a reasonable description and assessment of the types and characteristics of the potential impacts of the proposed development in respect of the relevant headings.

It is considered that the environmental effects arising from the proposed project will generally be localised and minor in nature. It is considered that the proposed development is not likely to give rise to significant environmental impacts and does not require an Environmental Impact Assessment Report to be prepared or an Environmental Impact Assessment to be conducted.
