**Recorded Conclusion/Statement to be inserted in Planners Report:**

CS1: Having regard to the nature and scale of the proposal and the provisions of Schedule 5 of the Planning and Development Regulations, it is concluded that EIA is required.

CS2: Having regard to the nature and scale of the proposal, it is concluded that EIA screening or EIA is not required

CS3: Having regard to Sections 172 and 176 of the Planning and Development Act, 2000 (as amended) and Article 102 and Schedules 5 & 7 of the Planning and Development Regulations, 2001 (as amended), a preliminary examination of the nature, size and location of the proposed development has been carried out which concludes that there is no real likelihood of significant effects on the environment arising from the proposed development. It is therefore concluded that EIA is not required.

CS4: Having regard to Sections 172 and 176 of the Planning and Development Act, 2000 (as amended) and Article 102 and Schedules 5 & 7 of the Planning and Development Regulations, 2001 (as amended), a preliminary examination of the nature, size and location of the proposed development has been carried out which concludes that there is a real likelihood of significant effects on the environment arising from the proposed development. It is therefore concluded that EIA is required.

CS5: Having regard to Sections 172 and 176 of the Planning and Development Act, 2000 (as amended) and Article 102 and Schedules 5 & 7 of the Planning and Development Regulations, 2001 (as amended), a preliminary examination of the nature, size and location of the proposed development has been carried out which has not concluded beyond a significant doubt that there is no real likelihood of significant effects on the environment arising from the proposed development. It is therefore concluded that a Formal Screening Determination is required to be carried out and in this regard the applicant/developer is required to submit information in accordance with Schedule 7A of the Planning and Development Regulations 2001 (as amended).
