Proposed Pedestrian/Cycle Bridge in Celbridge Town Centre
Planning Reference: P82022.07

Pursuant to the requirements of the above, Kildare County Council proposes to provide a shared pedestrian and cycle bridge over the River Liffey in Celbridge town centre.

The site extends to the following locations in Celbridge:

- Main Street and English Row at the R405 / R403 Junction.
- Celbridge Bridge (R405) from the Main Street Junction to the Newtown Road / Dublin Road (R403) and R405 Junction.

The proposed development comprises of a shared pedestrian and cycle bridge from the footpath adjacent to the former Bank of Ireland car park in Celbridge to the footpath outside the Abbey Lodge public house. The bridge will span over the River Liffey for approximately 50m. It will be constructed directly adjacent to the existing road bridge.

The existing footpath will be removed from the existing road bridge and a rubbing strip will be installed at both sides.

The kerb line will be built out slightly in front of the Abbey Lodge and the existing pedestrian crossings will be maintained on all three arms of this junction.

The footpath will be built out on Main Street at the arm of the junction and a new pedestrian crossing will be provided.

Particulars of the proposed scheme will also be available to view on Kildare County Council's website at <https://consult.kildarecoco.ie/en/consultation/part-8-proposed-pedestrian-cycle-bridge-celbridge-town-centre-planning-ref-p8202207> from Tuesday, 10 May until Wednesday, 08 June 2022.
