

Revision	Date	Description	Issued	Checked
1	24.01.16	Issued for Part B Planning	ACD	DM

**Notes**  
 Draw scale drawings. All dimensions should be checked on site. Errors to be reported to Architect. To be read in conjunction with all relevant Architect's services and engineers drawings. Contractors, sub-contractors and suppliers must verify any critical dimensions on site prior to fabrication of any building element. Any discrepancies are to be reported to the Architect. The drawing shall be read in conjunction with all relevant specifications, programs and specialist contractor's information. Any discrepancies must be reported to the Architect.  
 No information in this drawing/specification should be interpreted as design related to the safety or performance. As required by the Professional indemnity contract we exclude any liability whatsoever for the safety of buildings, products, materials or systems and assume these will be verified by others such as a Fire Engineer and Specialist Contractor Design.
