

2024 – 2025 Local Improvement Scheme (LIS)

The objective of the LIS is to fund the construction or improvement of small non-public roads not normally maintained by the Local Authority. Homeowners, farmers or other users of these roads make a small contribution and the Department of Rural and Community Development provide the balance of funding. Kildare County Council administers the LIS for residents of Kildare. Funding is subject to applications meeting the road eligibility and additional criteria as detailed in the Kildare Local Improvement Scheme Guidelines. A minimum of one of the applicants must be engaged in agricultural activities (agri-activities) on a parcel of land accessed by the road and this applicant must provide a herd/flock number. We advise that you read these guidelines carefully before filling out your application.

We are happy to answer any questions you may have about the scheme. You can either email us at liscis@kildarecoco.ie or call us on 045 980421.
