

## Are you a refugee or an asylum seeker looking for a job? We can help

EPIC helps asylum seekers and refugees living in Ireland to find a job through online training, individual support and partnering with businesses.

This FREE Programme offers:

- Inclusive online group training
- Skills for the Irish job market
- Supports from businesses
- Personalised career counselling and support with job applications
- CV writing skills and interview preparation

EPIC is open to adults living in Ireland who have a good level of spoken and written English and are

- Asylum seekers with work permits
- Refugees
- Ukrainian refugees
- People with Subsidiary Protection or Leave to Remain
- People from a refugee background and Irish citizenship

Over 90% of participants would recommend EPIC to a friend
