### **Re:** Annual Financial Statement 2021 – Financial Overview

### 1. Introduction

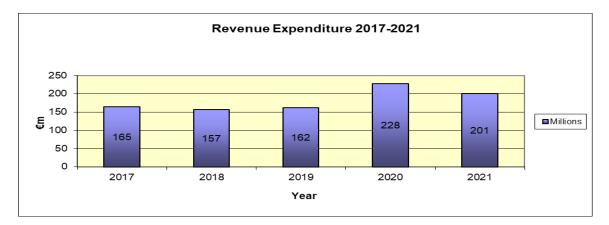

- 1.1 The Annual Financial Statement (AFS) of Kildare County Council for the financial year ended 31st December 2021 has been prepared in accordance with the Local Authority Accounting Code of Practice, and Accounting Regulations.
- 1.2 The Annual Financial Statement is subject to external audit by the Local Government Auditor from the Local Government Audit Service whose purpose is to form an independent opinion on the accounts, to certify the correctness of the Annual Financial Statement and to submit an Audit Report to the Minister for Housing, Local Government and Heritage and the elected members of Kildare County Council. A copy of the Auditor's Report will be circulated to each Member of the Council when it is received and in accordance with normal practice, will also be considered by the Council's Finance Committee and Audit Committee.
- 1.3 A summary of Income and Expenditure on the Revenue and Capital Accounts for the financial year 2021 with a comparison to the previous year is set out below:

|         | Expen       | diture      | Inco        | ome         |
|---------|-------------|-------------|-------------|-------------|
|         | 2021        | 2020        | 2021        | 2020        |
|         | €           | €           | € €         |             |
| Revenue | 201,501,777 | 227,696,557 | 201,625,210 | 227,859,921 |

| Total   | 314,018,547 | 365,823,407 | 345,019,233 | 383,699,319 |

The combined Revenue and Capital expenditure of over **€314million** in 2021 gives an indication of the scale of the contribution Kildare County Council is making to the economic, social, cultural and infrastructural development of the county.

### 2. <u>Revenue Account(Income & Expenditure Statement)</u>

- 2.1 This account covers the day-to-day operational expenses of the Council, such as maintenance of essential services, housing, roads, water and sewerage schemes, land-use planning, administration and support costs, repayment of loan charges, etc.
- 2.2 The Revenue Account Statement by Division appears on page 12 and the outturn on the revenue account for 2021 shows a surplus of €123,432 for the year after transfers to reserves are taken into account. This results in a further reduction of the closing revenue deficit figure to €48,008 at year end.

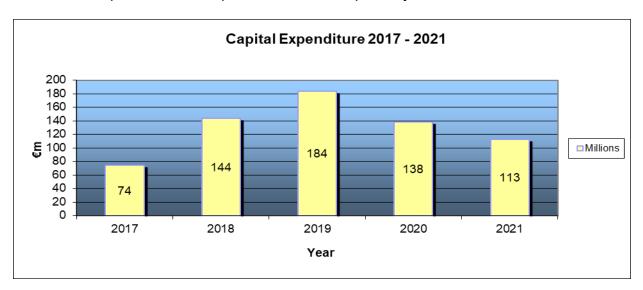

### 2.3 Additional Expenditure

The difference between the adopted budget and the actual outturn in respect of both expenditure and income is set out in Note 16 on page 23. The schedule of additional expenditure on a programme basis is included at Appendix 9 on page 41.

In accordance with the provisions of the Local Government Act 2001, the members' approval, by resolution, to the schedule of additional expenditure for 2021 is required.

### 3. <u>Capital Account</u>

3.1 The Council continued to advance the capital programme during 2021 resulting in the addition of 370 houses to the Council's stock and on works on various projects such as the Kerdiffstown site, Sallins By Pass etc. See Appendix 10 for 2021 outturn.

### 3.2 The capital account expenditure over the past 5 years is:

### 4. <u>Revenue Collections</u>

A summary of the main revenue collection accounts is contained in Appendix 7 on page 39.

The percentage collection levels are shown below with a comparison to the previous year.

|                  | Collection 2021 | Collection 2020 |
|------------------|-----------------|-----------------|
| Commercial Rates | 82%*            | 70%*            |
| Rents/Annuities. | 93%             | 92%             |
| Housing Loans.   | 69%             | 62%             |

In 2021, over 51% (2020: 80%) of rate payers received a rates covid waiver. The rates covid waiver was €15m (2020: €22m). If this amount had been shown as Amount Collected not as Accrued Invoices in Appendix 7, then the collection rate would have been 86% for 2021 (2020:80%).

### 5. <u>Covid-19 Pandemic</u>

The Covid-19 Pandemic required an unprecedented response from Kildare County Council to support our residents, communities and local businesses to keep key services running and ensure that those who need help get it. Similar to 2020 central government, provided supports in 2021 through a variety of methods: rates waivers, subventions for goods and services income, various grants (SBSAC, Litter Infrastructure, Outdoor Summer Assistance, Outdoor seating and Local Live Performance Programme).

Despite the Covid-19 pandemic and the uncertainty it created, the additional funding from central government, combined with strong financial management, has ensured that the outturn for 2021 remains in balance.

### 6. <u>Conclusion</u>

The 2021 Annual Financial Statement of Kildare County Council is tabled for noting by Council at the forthcoming meeting of the Council to be held on Monday, 28th March,2022 and will be submitted to the Department of Housing, Local Government and Heritage by for audit.

The members' approval by resolution to the schedule of additional expenditure contained in Appendix 9 is required in accordance with the provisions of the Local Government Act, 2001.

### Independent Auditor's Opinion to the Members of Kildare County Council

I have audited the annual financial statement of Kildare County Council for the year ended 31 December 2021 as set out on pages 7 to 25, which comprises the Statement of Accounting Policies, Statement of Comprehensive Income, Statement of Financial Position, Statement of Funds Flow and Notes on and forming part of the Accounts. The financial reporting framework that has been applied in its preparation is the Code of Practice and Accounting regulations as prescribed by the Minister for Housing, Local Government & Heritage.

### Responsibilities of the Council and the Local Government Auditor

The Council, in accordance with Section 107 of the Local Government Act, 2001, is responsible for the maintenance of all accounting records including the preparation of the Annual Financial Statement. It is my responsibility, based on my audit, to form an independent opinion on the statement and to report my opinion to you.

### Scope of the audit of the financial statement

I conducted my audit in accordance with the Code of Audit Practice, as prescribed under Section 117 of the Local Government Act, 2001. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the annual financial statement. It also includes an assessment of the significant estimates and judgements made in the preparation of the financial statement, and of whether the accounting policies are appropriate to the Council's circumstances, consistently applied and adequately disclosed.

I planned and performed my audit so as to obtain all the information and explanations which I considered necessary in order to provide sufficient evidence to give reasonable assurance that the annual financial statement is free from material misstatement, whether caused by fraud or error.

### Opinion on the financial statement

In my opinion the annual financial statement, which has been prepared in accordance with the Code of Practice and Accounting Regulations for local authorities, presents fairly the financial position of the Kildare County Council at 31 December 2021 and its income and expenditure for the year then ended.

### **Statutory Audit Report**

I have also prepared an associated audit report as provided for in Section 120(1)(c) of the Local Government Act, 2001.

Eanson Duly

Eamonn Daly Local Government Auditor 14 October, 2022

### STATEMENT OF ACCOUNTING POLICIES

### 1. General

The accounts have been prepared in accordance with the Accounting Code of Practice on local authority accounting, as revised by the Department of Housing, Local Government and Heritage (DHLGH) at the 31<sup>st</sup> December 2021. Non-compliance with accounting policies as set out in Accounting Code of Practice must be stated in the Policies and Notes to the Accounts.

### 2. Statement of Funds (Funds Flow Statement)

A Statement of Funds Flow statement was introduced as part of AFS 2011. While the guidance of International Accounting Standard 7 Statement of Cash Flows has been followed, the business of local authorities is substantially different to most private sector organisations and therefore some minor changes to the format have been agreed to ensure the data displayed is meaningful and useful within the local government sector. For this reason the statement is being referred to as a 'Statement of Funds Flow'. The financial accounts now include a Statement of Funds Flow shown after the Statement of Financial Position (Balance Sheet). Notes 17 - 22 relate to the Statement of Funds Flow and are shown in the Notes on and forming part of the Accounts section of the AFS. Note 19 details Project/Non Project/Affordable/Voluntary balances, which can be either a debit or a credit balance. The funds flow assumes that these are debit balances and bases the (Increase)/Decrease description on this.

### 3. Accruals

The revenue and capital accounts have been prepared on an accrual basis in accordance with the Code of Practice.

### 4. Interest Charges

Loans payable can be divided into the following two categories:

- Mortgage related loans
- Non- mortgage related loans

### 4.1 Mortgage Related Loans

Mortgage related loans have a corresponding stream of income from long term advances (i.e. monies lent by the local authority to borrowers), for the purchase of houses. Only the interest element is charged or credited to the Statement of Comprehensive Income (Income & Expenditure Statement).

### 4.2 Non Mortgage Related Loans

Note 7 to the accounts sets out the types of borrowing under this heading. Loans relating to assets/grants, revenue funding will not have a corresponding stream of income. Bridging finance will eventually become part of permanent funding. Loans in respect of the other headings will have a corresponding value in Note 3.

### 5. Pensions

Payments in respect of pensions and gratuities are charged to the revenue account in the accounting period in which the payments are made. The cost of salaries and wages in the accounts includes deductions in respect of pension contributions (including Widows and Orphans) benefits under the Local Government Superannuation Scheme and the Single Public Service Pension Scheme.

The Single Public Service Pension Scheme ("Single Scheme") commenced with effect from 1 January 2013. Employee contributions for the Single Scheme continue to be deducted by local authorities but are remitted centrally to DPER.

### 6. Agency and Other Services

Expenditure on services provided or carried out on behalf of other local authorities is recouped at cost or in accordance with specific agreements.

### 7. Provisions for Bad & Doubtful Debts

Provision has been made in the relevant accounts for bad & doubtful debts.

### 8. Fixed Assets

### 8.1 Classification of Assets

Fixed Assets are classified into categories as set out in the Statement of Financial Position (Balance Sheet). A further breakdown by asset type is set out in Note 1 to the accounts.

### 8.2 Recognition

All expenditure on the acquisition or construction of fixed assets is capitalised on an accrual basis.

### 8.3 Measurement

A Statement of Financial Position (Balance Sheet) incorporating all of the assets of the local authority was included for the first time in the Annual Financial Statement for 2003. The assets were valued on the basis of the 'Valuation Guideline' issued by the DHPLG. All assets purchased or constructed as from 1/1/2004 have been included at historical cost. Accounting policies relating to leases are currently being developed and will be reflected in the financial statements at a future date.

### 8.4 Revaluation

As set out in a revision to the Accounting Code of Practice it is policy to show fixed assets at cost. Maintenance and enhancement costs associated with Infrastructure assets are not currently included in fixed assets but will be reviewed at a future date. Due to their physical nature the vast majority of assets are unique to local authorities and are not subject to disposal. Any loss or gain associated with the net realisable value of the remaining general assets subject to disposal, are accounted for at time of disposal.

### 8.5 Disposals

In respect of disposable assets, income is credited to a specific reserve and is generally applied in the purchase of new assets. Proceeds of the sale of local authority houses are to be applied as directed by the DHLGH.

### 8.6 Depreciation

Under the current method of accounting, the charge for depreciation is offset by the amortisation of the source of funding for the asset. This method has a neutral impact on the Income & Expenditure and consequently the charge for depreciation and the corresponding credit from amortisation is excluded from the Statement of Comprehensive Income (Income & Expenditure Statement). All assets other than the road network, houses, buildings and heritage are depreciated.

| Asset Type                       | Bases    | Depreciation<br>(%) P.A |
|----------------------------------|----------|-------------------------|
| Plant & Machinery<br>- Long life | SL       | 10                      |
| - Short life<br>Equipment        | SL<br>SL | 20<br>20                |
| Furniture<br>Playgrounds         | SL<br>SL | 20<br>20                |
| Parks                            | SL       | 2                       |
| Surface Water Assets             | SL       | Asset life of 50 years  |

The policies applied to assets subject to depreciation are as follows:

The Council does not charge depreciation in the year of disposal and will charge a full year's depreciation in the year of acquisition.

### 9. Government Grants

Government grants are accounted for on an accrual basis. Grants received to cover day to day operations are credited to the Statement of Comprehensive Income (Income & Expenditure Statement). Grants received, relating to the construction of assets, are shown as part of the income of work-in-progress. On completion of the project this income is transferred to a capitalisation account.

### 10. Development Debtors & Income

Short term development levy debtors are included in Note 5. Income from development contributions not due to be paid within the current year is deferred and not separately disclosed in the financial statements.

### 11. **Debt Redemption**

The proceeds from the early redemption of loans by borrowers, are applied to the redemption of mortgage related borrowings from the HFA.

### 12. Lease Schemes

Rental payments under operating leases are charged to the Statement of Comprehensive Income (Income & Expenditure Statement). Assets acquired under a finance lease are included in fixed assets. The amount due on outstanding balances is shown under current liabilities and long-term creditors.

### 13. Stock

Stocks are valued on an average cost basis.

### 14. Work-in-Progress & Preliminary Expenditure

Work-in progress and preliminary expenditure is the accumulated historical cost of various capital related projects. The income accrued in respect of these projects is shown in the Statement of Financial Position (Balance Sheet) as 'Income WIP'.

### 15. Interest in Local Authority Companies

The interest in the companies listed in Appendix 8 show that the interest is of a representational nature and not of financial nature.

### 16. Related Parties

A related party transaction is a transfer of resources, services or obligations between the local authority and a related party. The main related parties for a local authority include the following:

- i. Management and Personnel
- ii. Council Members
- iii. Government Departments
- iv. Local Authority Companies

Local Authority council members and key personnel are bound under the relevant sections of the Local Government Act 2001 and subsequent amending legislation to:

- a) furnish an annual declaration of 'declarable interests' set out in section 175 of the Act;
- b) disclose under sections 167, 178 and 179 any beneficial interests that they or a connected person has; and
- c) follow a code of conduct issued by the Minister for the Housing, Local Government and Heritage under section 169 of the Local Government Act 2001 in 2004.

'Declarable interests' cover both financial and certain other interests such as land etc. Local authority management and personnel salary and remuneration is determined by the Department of Housing, Local Government and Heritage in line with central government policy on rates of pay.

Local Authority interests in companies and joint ventures are disclosed in Appendix 8 to the Annual Financial Statements.

Local Authority transactions with government departments are governed by central government controls and procedures driven by government accounting rules.

The Government continued its unprecedented support for the local government sector, with the provision of an amended commercial rates waiver in 2021. The cost of this support is reported in Appendix 1 as a Payment of Subsidies and Grants under the Operational Expenses heading. The income appears in Appendix 3 under the Department of Housing, Local Government and Heritage under Miscellaneous. The credit in lieu is reported in Appendix 7 under Waivers/Credits. The full Rates Accrued Income for 2021 appears in the Income and Expenditure Account as normal.

A number of rates customers who were entitled and received a rates waiver continued to pay their rates in 2021. In most cases these rate payments were not refunded to customers. Any customer who had a credit balance as a result of the rates waiver, this credit was treated as deferred income.

amount waived and this is included in the grant income in Appendix 3. For prior year comparison purposes if the income was included in the Amount Collected column rather than the Waived/Credits \*\*To alleviate the impact of Covid19 on eligible businesses during 2021 the Government announced a 9 month rates waiver scheme. The amounts waived are shown in the Waived/Credits column in the table above and results in a corresponding reduction in the total for collection. This also has the effect of reducing the % collected in the final column. The Council received a grant equal to the column the % collected would have been 86%.
