

## **CLIMATE ACTION STRATEGIC POLICY COMMITTEE**

### **WORK PROGRAMME 2020/2021**

- To discuss and consider policies relating to the 'Just Transition'
- To examine templates/good practice for community initiatives (recent youth camp hosted by National Stud was cited as a model for good practice). SPC to be used as a 'sounding board' for new interactive presentation to be rolled out nationally to MDs.
- To develop the climate action 'business opportunities' agenda
- To enhance policies relating to modal shift in transport, particularly walking and cycling infrastructure
- To input into policies relating to the all-Ireland pollinator plan
- Build on existing community inputs such as green schools, green fora, carbon-neutral towns etc
- To focus on mitigation policies and related initiatives.
- To focusing on policies relating to the limiting of plastics, greater emphasis on circular economy etc
- To influence policies at regional and national level
- To increase community awareness and participation in climate action issues.
- To input into training/capacity building initiatives
