### **8) To consider the following Referred Motions:**

#### **a) Dog Fouling**

*"In an effort to deal with the ever present dog fouling on our footpaths and lack of bins issue in our County that Kildare County Council contact Residents Associations via PPN and ask for them to nominate two areas from their Municipal Districts to pilot a "Dog Litter Bin Trial". The Residents Associations can nominate two places (common dog walking areas) from their Municipal District for this pilot scheme. Environment at Kildare County Council could fund this pilot trial at a relatively little cost from existing budget."*
