6. **Councillor Suzanne Doyle**
That the council request for the Minister of Department Of Housing, Planning and Local Government to facilitate the establishment of a dedicated Special Policy Committee for climate change, in order to ensure all environmental concerns are

properly considered during policy formulation and that all such policies are sustainability proofed.

7. Councillor Naoise Ó Cearúil

That Kildare County Council declares a Climate Emergency.

8. Councillor Bill Clear

That the council defers any decision to charge for pay parking at electric charging points until there is sufficient charging points in the county. Currently there are 12 charging points county wide but this number needs to grow substantially if we are to favour electric cars over petrol/diesel but in the event of pay parking being introduced, the first two hours should remain free.

9. Councillor Tracey O'Dwyer

That the council provide an update as to the status of the publication of the technical specification required for community groups in order to progress their CCTV applications.

10. Councillor Aidan Farrelly

That the council writes to Kildare Comhairle Na nÓg, inviting a delegation of young people to present an overview of their work to date as well as recommendations as to how Kildare County Council can work in partnership with the Youth Council in order to support their endeavours.

11. Councillor Brendan Wyse

That the council allows councillors to directly access the roads database via the Pavement Management System.

12. Councillor Fiona McLoughlin Healy

That the council recognises the key role of public participation in local government as outlined by the 2013 report of the Working Group on Public Participation in Local Government, and also in the Council of Europe's 'Code of Good Practice for Civil Participation in the Decision-Making Process', adopted in October 2009 and to which Ireland is a subscriber; the Council therefore resolves to implement the webcasting of

public meetings of the Full Council in order to meet the Code's principles of participation, trust, accountability and transparency.

13. Councillor Pádraig McEvoy

That the council report on the main issues raised by electors during the recent elections following the changes made by the 2018 Local Electoral Area Boundary Committee.

14. Councillor Nuala Killeen

That the council consider implementation of a web based/webform enquiry sheet with a unique identification number for members of the public to request that a particular tree in their locality be added to the pruning schedule or schedule for assessment for pruning or removal.

15. Councillors Peter Hamilton, Vanessa Liston and Vincent P Martin

That the council outline how budget, resources and priority will be allocated to effect the Climate Change Adaptation Strategy 2019-2024 given the extreme urgency for action in the context of the climate crisis and species extinction.
