- 12. Adjourned – Councillor Brett, Durkan, Hillis, Neville, Scully and Weld**
That the council carry out a full review of the development levies scheme.
- 13. Councillor Doyle**
That the council prepare a report on the level of activity being carried out by utility providers within the county with an assessment of the impact of this work on our road and path surfaces and that a request for funding from Central Government be made to ameliorate this burden or that we develop a policy that will adequately levy this activity.
- 14. Councillor O'Neill**
That the council provide a preliminary assessment and quantification of the number and location of potential vacant sites that could be used for residential development in our municipal areas and receive a report by the Chief Executive on the application of the Vacant Site levy provisions in our municipal districts.
- 15. Councillor Dooley**
That the council increase the use of CCTV in known black spots for illegal dumping, to accelerate and strengthen the work of waste enforcement officers and that the Department of Communications, Climate Action and Environment be petitioned to increase the penalties attached to such breaches that would provide for prison sentence in cases of serious breaches.
- 16. Councillor Wall**
That the council provide the members with an up to date report on the Rebuilding Ireland Home Loan scheme to include a breakdown of the applications processed for each municipal district, detailing how many were successful/unsuccessful and to illustrate the difference between the successful/unsuccessful applications in the report.

17. Councillor Young

That the council calls on Irish Water to upgrade the water supply network for North Kildare – in particular the replacement of the mains pipe that goes through the Castletown House demesne.

18. Councillor Lynch

That this council calls on both the Department of Communications, Climate Action and Environment and the Department of Business, Enterprise & Innovation to be both proactive and symbiotic with their investment and energy policies and introduce phased bans on environmentally unfriendly items such as unrecyclable plastic bags and film while setting up investment funds that specifically seek to develop alternatives to these products. This fund could be administered through the Local Enterprise Office and we ask the Departments to issue a response to this investment funding request.

19. Councillor Redmond

That the council agree that a letter is sent to the Minister for Health expressing this councils support for our nurses and midwives who have balloted for strike action beginning 30 January seeking a safe, fully staffed, functioning health service that values and pays them as essential skilled professionally workers.
