Áras Chill Dara,  
Devoy Park,  
Naas,  
Co. Kildare  
1<sup>st</sup> July 2021

**Don Chathaoirleach is gach ball den Chomhairle Chondae**

A Bhail Uile,

Tionólfar cruinniú speisialta den chomhairle ag 9:30 in Dé Luain, 5 Iúil 2021 agus tugtar cuireadh duit freastal ar líne trí Fhoirne Microsoft.

A special meeting of the council will be held at 9:30 a.m. on Monday , 5th July 2021 and you are invited to attend online via Microsoft Teams.

Agenda is attached.

Mairead Hunt

Meetings Administrator

---

## CLÁR/AGENDA

1. Draft Naas Local Area Plan 2021 - 2027 and Chief Executive's Report on Submissions and Observations, dated 31<sup>st</sup> May 2021 (including Errata issued the 8<sup>th</sup> June 2021)
2. To consider notices of motions submitted by members and Chief Executive's Meeting Report 1<sup>st</sup> July 2021.

### Chapter 3 Compliance with Core Strategy

1. **Proposed Material Alteration No. 1** - See Chief Executive's Meeting Report 1st July 2021.

### Chapter 4: Homes and Communities

2. **Proposed Material Alteration No. 2** - See Chief Executive's Meeting Report 1st July 2021.
3. **Motion: Cllr. Anne Breen**  
Housing  
That the council secure additional lands for the provision of social housing and an objective should be to provide more age friendly and disability housing for the elderly and disabled.
4. **Proposed Material Alteration No. 3** - See Chief Executive's Meeting Report 1st July 2021.
5. **Motion: Cllr. Evie Sammon**  
That the Naas LAP sets the objective that all new primary schools include lands for the delivery of childcare facilities.
6. **Motion: Cllr. Colm Kenny**  
That the Local Area Plan address the most efficient, sustainable and immediate response to the shortfall in childcare facilities, and provide for the need to implement and enforce planning obligations for developers to provide childcare

facilities for 20 children for every 75 houses, given the significant backlog, delays in delivery of this stipulation evident in five new estate developments.

The range of submissions on childcare facilities offer strategies to ensure the fulfilment of development obligations, as noted in the CEO response. Use of Council Lands or public resources should only be considered in terms of colocation with educational establishments and after the existing obligations placed on developers are implemented. The Council should resist proposals for "change of use" for additional dwellings where they mitigate the original and planned intention.

**7. Motion: Cllr. Anne Breen**

Childcare Facilities

Considering the significant under provision of childcare facilities in the area, that the Council develop and maintain more childcare centres/creches in the district.

**8. Proposed Material Alteration No. 4 - See Chief Executive's Meeting Report 1st July 2021.**

**9. Proposed Material Alteration No. 5 - See Chief Executive's Meeting Report 1st July 2021.**

**10. Proposed Material Alteration No. 6 - See Chief Executive's Meeting Report 1st July 2021.**

**11. Motion: Cllr. Padraig McEvoy**

That the LAP addresses the need for planning applications of large-scale sites (SHDs, units of 100+, etc.) to be connected to and served by high capacity sustainable transport services.

**12. Motion: Cllr. Vanessa Liston**

**Insert new objective:** 'Ensure all new housing developments in Naas include safe areas for children to play, a natural play facility and outdoor seating areas for the purpose of communal gathering'.

**Reason:** Planning condition - to support the development of Naas as a child and young person friendly town.

**13. Motion: Cllr. Colm Kenny**

That the draft Local Area Plan consider needs to expand the provision of Primary Care services, commensurate with population growth, given:

- a. The expanding demographics of older persons identified in the draft plan

- b. The Social Infrastructure Audit (SIA) was prepared as a supporting document with pre-Covid research
- c. The necessity of ubiquitous access to Primary Care, the advent of Sláintecare, and the impact of Covid.

## **Chapter 5: Movement and Transport**

14. **Proposed Material Alteration No. 7** - See Chief Executive's Meeting Report 1st July 2021.

15. **Motion: Cllr. Colm Kenny**

That the chief executive includes an objective to support the delivery of cycle lanes / active travel infrastructure and ensure all funding streams are accessed through NTA and other sources as appropriate to ensure timely delivery and roll out of an implementation programme.

16. **Motion: Cllr. Anne Breen**

Permeability Measures

Although Permeability is a good idea in principle, there are a lot of concerns about its effect on local communities, ref. safety issues and anti-social behaviour, especially with the elderly.

The Plan should include a Material Alteration, "permeability proposals will be reviewed by the Council and further discussions will be held with the local communities most affected, before any decisions are finally made". Permeability should show demonstrable benefits to those most affected by its introduction.

17. **Motion: Cllr. Tracey O'Dwyer, Cllr. Colm Kenny, Cllr. Evie Sammon**

That the Naas LAP sets the objective to upgrade the existing towpath from Naas Canal to Corbally Harbour.

18. **Motion: Cllr. Bill Clear, Cllr. Nuala Kileen ,Cllr. Aidan Farelly, Cllr. Chris Pender**

That the data centre zoned for Caragh Road P (1) include an objective under this plan requiring a cycle/ walking greenway to be constructed within this as part of any future development to facilitate walking and cycling from Naas to Caragh.

19. **Motion: Cllr. Bill Clear, Cllr. Nuala Kileen ,Cllr. Aidan Farelly, Cllr. Chris Pender.**

Objective of Kildare County Council to support sustainable means of travel to provide Cycle way from Naas to Newbridge.

20. **Motion: Cllr. Bill Clear, Cllr. Nuala Kileen ,Cllr. Aidan Farelly, Cllr. Chris Pender.**

That a greenway objective be inserted to join Sallins to Kerdiffstown Park by way of a greenway.

21. **Motion: Cllr. Bill Clear, Cllr. Nuala Kileen ,Cllr. Aidan Farelly, Cllr. Chris Pender.**

Cycle way to Rugby club. That it is an objective of this plan that a greenway be investigated from Naas to Naas Rugby club. So as to support more sustainable means of transport.

22. **Motion: Cllr. Bill Clear, Cllr. Nuala Kileen ,Cllr. Aidan Farelly, Cllr. Chris Pender.**

To strengthen the objective, that Kildare Coco support the Bridge at Landen park this is key to ensuring that children from the surrounding area have an alternative to the car and are able to travel to school safely by walking or cycling. We also have the connection from numerous estates to Sallins Rail station. This was on the previous Local Area plan and need to be embedded in this plan. This is a key linkage for Naas and has been many years in the development plan. Most of the cycle path has been constructed and this is the last leg.

23. **Motion: Cllr. Evie Sammon**

That the Naas LAP amends the proposed bridge site (Pedestrian Measure No. 21) to include an alternative (21A) option, the final route of which will be determined at part 8/final design stage.

24. **Motion: Cllr. Bill Clear, Cllr. Nuala Kileen ,Cllr. Aidan Farelly, Cllr. Chris Pender.**

Objective of Kildare County Council to support sustainable means of travel that a permeability route be inserted at the Bridge at Leinster Mills.

25. **Motion: Cllr. Bill Clear, Cllr. Nuala Kileen ,Cllr. Aidan Farelly, Cllr. Chris Pender.**

That the permeability options at Landen Park through walls to Millennium park be removed and replaced with an entrance further east toward Oldtown Walk.

**26. Motion: Cllr. Evie Sammon**

That the Naas LAP be amended to remove permeability walking/cycling routes:

- (a) 22 - Landen Park in the interest of safety, security and retention of the Famine Wall
- (b) 31- Morell Close to Monread road in the interest of safety
- (c) 36 and 37 - and upgrade the existing permeability route on the Rathasker Road
- (d) 63 - Jigginstown Green in the interest of safety and to acknowledge existing permeability routes
- (e) 66 - and upgrade the existing permeability route between Kingsfurze Avenue and Woodlands
- (f) 25 – Same as (e)  
68 - in the interest of safety and to acknowledge the industrial area of Military Park

**27. Motion: Cllr. Bill Clear and Cllr. Carmel Kelly**

The opening at Morell Close be removed. This opening proposes a very real danger to small children wandering onto a very busy road.

**28. Motion: Cllr. Bill Clear, Cllr. Nuala Kileen ,Cllr. Aidan Farelly, Cllr. Chris Pender.**

Objective of Kildare County Council to support sustainable means of travel that an alternative permeability route be inserted at Carrig Oskair, permeability connection be modified to enter Rathasker road instead of Ring Road.

**29. Motion: Cllr. Bill Clear and Cllr. Carmel Kelly**

Objective of Kildare County Council to support sustainable means of travel that an alternative route be identified using the green space around Ballymore roundabout as an alternative to Craddockstown Park. Red is permeability: proposal, Purple: alternative.

**30. Motion: Cllr. Bill Clear, Cllr. Nuala Kileen, Cllr. Aidan Farelly, Cllr. Chris Pender.**

Permeability opening at Jigginstown Green be removed

31. **Motion: Cllr. Bill Clear, Cllr. Nuala Kileen ,Cllr. Aidan Farelly, Cllr. Chris Pender.**

Objective of Kildare County Council to support sustainable means of travel to develop a Cycle Lane inside DeBurgs wall at Sallins road as part of any development that takes place on site C19

Note: Sallins Road is not wide enough to provide safe cycling infrastructure so this will solve this issue, protect the famine wall.

32. **Motion: Cllr. Seamie Moore, Cllr. Fintan Brett, Cllr. Bill Clear, Cllr. Evie Sammon, Cllr. Carmel Kelly**

Condition the Residential Zoning identified as C 19 as only being possible in conjunction with Sallins Roads improvements, with a wall breaching and the positioning of a pedestrian and cycle track within the site that will serve both the development and public cycleway requirement.

33. **Proposed Material Alteration No. 8** - See Chief Executive's Meeting's Report 1<sup>st</sup> July 2021.

34. **Proposed Material Alteration No. 9** - See Chief Executive's Meeting Report 1st July 2021.

35. **Proposed Material Alteration No. 10** - See Chief Executive's Meeting Report 1st July 2021.

36. **Motion: Cllr. Anne Breen**

Millbridge Street – Road Measure RD3/RD3A

Re-routing of significant Newbridge Road traffic via Finley Park will cause traffic issues when it meets the Sallins Road and will also divert heavy traffic through a residential and proposed Greenway Area.

The route is called a "Street". It will have no street features and is in fact a Relief Road. It will take traffic towards the town and not away from it. This proposal will present significant environmental problems as it will destroy the natural environs (wildlife sanctuary on both sides of the canal) where the bridge crosses the canal.

37. **Proposed Material Alteration No. 11** - See Chief Executive's Meeting Report 1st July 2021.

38. **Motion: Cllr. Evie Sammon, Cllr. Fintan Brett, Cllr. Carmel Kelly, Cllr. Seamie Moore, Cllr. Bill Clear.**

That MTO 3.3 includes examination of a HGV ban on Gallops Avenue.

39. **Cllr. Evie Sammon, Cllr. Fintan Brett, Cllr. Carmel Kelly, Cllr. Seamie Moore, Cllr. Bill Clear**

That MTO 3.3 includes the examination of a greenway adjacent to Gallops Avenue.

40. **Motion: Cllr. Anne Breen**

Gallops Avenue

- (a) This road will not serve its intended purpose and will not solve any Naas traffic problems, it will only shift the traffic congestion to junctions at the Blessington Road, the Tipper Road and the Dublin Road.

It will be problematic for residents along the route with respect to air and noise pollution, road safety and accessibility. A similar previous proposal has already been rejected by an official Part 8 procedure. Naas needs an "Outer Relief Road".

- (b) Proposed Material Alteration - MTO 3.3

This proposal does not address the basic issue that, "the road is in the wrong location" and road design will not alter this fact. The material alteration should read, "consider providing an alternative route located on a corridor to the East of the Racecourse"

41. **Motion: Cllr. Evie Sammon**

That an outer relief road be included in the Naas LAP.

42. **Proposed Material Alteration No. 12** - See Chief Executive's Meeting Report 1st July 2021.
43. **Proposed Material Alteration No. 13** - See Chief Executive's Meeting Report 1st July 2021.

### **Chapter 6: Economic Development, Retail and Tourism**

44. **Proposed Material Alteration No. 14** - See Chief Executive's Meeting Report 1st July 2021.
45. **Proposed Material Alteration No. 15** - See Chief Executive's Meeting Report 1st July 2021.
46. **Proposed Material Alteration No. 16** - See Chief Executive's Meeting Report 1st July 2021.

47. **Proposed Material Alteration No. 17** - See Chief Executive's Meeting Report 1st July 2021.

48. **Proposed Material Alteration No. 18** - See Chief Executive's Meeting Report 1st July 2021.

49. **Motion: Cllr. Pdraig McEvoy**

In light of concerns from the energy regulator and Eirgird calling for a review of policies on Data Centres, that the LAP addresses the need for planning applications to be assessed in the context of electricity network supply capacity and targeted reductions in GHG emissions.

50. **Proposed Material Alteration No. 19** - See Chief Executive's Meeting Report 1st July 2021.

51. **Proposed Material Alteration No. 20** - See Chief Executive's Meeting Report 1st July 2021.

52. **Cllr. Bill Clear, Cllr. Nuala Kileen ,Cllr. Aidan Farelly, Cllr. Chris Pender.**

To provide support for business enterprise or innovation hubs for this area.

53. **Motion: Cllr. Evie Sammon**

That the Naas LAP considers the restriction of large-scale mixed retail outside the town centre of Naas in order to protect our existing Main Street and Town Centre.

## **Chapter 7: Natural Environment and Climate Change**

54. **Proposed Material Alteration No. 21** - See Chief Executive's Meeting Report 1st July 2021.

55. **Proposed Material Alteration No. 22** - See Chief Executive's Meeting Report 1st July 2021.

56. **Proposed Material Alteration No. 23** - See Chief Executive's Meeting Report 1st July 2021.

57. **Proposed Material Alteration No. 24** - See Chief Executive's Meeting Report 1st July 2021.

58. **Proposed Material Alteration No. 25** - See Chief Executive's Meeting Report 1st July 2021.

59. **Proposed Material Alteration No. 26** - See Chief Executive's Meeting Report 1st July 2021.

60. **Motion: Cllr. Colm Kenny**

That the Chief Executive's proposed material alteration NE 4.5 promoting the use of pesticide-free and pollinator-friendly fertilisers, as well as the reduction to and ultimately the cessation of pesticides used on public lands, is amended to specify dates for the elimination of pesticide use. The proposed amendment will support conditions attached to planning permissions.

61. **Motion: Cllr. Colm Kenny**

That the development of the public amenities with the DeBurgh Demesne is prioritised, and to include opportunities for environmental, educational, health, recreational and ecotourism potential, including a Biodiversity Trail link with Green Infrastructure Corridors (as outlined in section 7.3 of the LAP) identified in the Habitat Survey and subsequent mapping of Naas, which extend beyond the Municipal District boundary.

**Chapter 8: Built Heritage**

62. **Proposed Material Alteration No. 27** - See Chief Executive's Meeting Report 1st July 2021

**Chapter 9: Infrastructure and Environmental Services**

63. **Proposed Material Alteration No. 28** - See Chief Executive's Meeting Report 1st July 2021
64. **Proposed Material Alteration No. 29** - See Chief Executive's Meeting Report 1st July 2021
65. **Proposed Material Alteration No. 30** - See Chief Executive's Meeting Report 1st July 2021
66. **Proposed Material Alteration No. 31** - See Chief Executive's Meeting Report 1st July 2021

**Chapter 10: Urban Regeneration and Development Strategy**

67. **Proposed Material Alteration No. 32** - See Chief Executive's Meeting Report 1st July 2021

68. **Proposed Material Alteration No. 33** - See Chief Executive's Meeting Report 1st July 2021
69. **Proposed Material Alteration No. 34** - See Chief Executive's Meeting Report 1st July 2021
70. **Proposed Material Alteration No. 35** - See Chief Executive's Meeting Report 1st July 2021
71. **Proposed Material Alteration No. 36**- See Chief Executive's Meeting Report 1st July 2021
72. **Proposed Material Alteration No. 37** - See Chief Executive's Meeting Report 1st July 2021
73. **Motion: Cllr. Liston**
  - (a) **Insert new objective:** 'To prepare Collaborative Town Centre Health Checks (CTCHC) for Naas at least every two years throughout the plan period'.  
**Reason:** To enable ongoing information on progress and change to inform policy and implementation.
  - (b) **Insert new objective:** 'To set up a process for monitoring and evaluating the results of the Naas Collaborative Town Centre Health Checks in partnership with local chambers, communities, community groups, young people and other stakeholders'.  
**Reason:** To support effective monitoring and evaluation
  - (c) **To amend** URD 1.11 to replace the term Town Health check with Collaborative Town Centre Health Check.  
**Reason:** For accuracy in referencing the specific methodology

### **Chapter 11: Land Use Zoning Objectives and Implementation**

74. **Proposed Material Alteration No. 38** - See Chief Executive's Meeting Report 1st July 2021
75. **Proposed Material Alteration No. 39** - See Chief Executive's Meeting Report 1st July 2021
76. **Proposed Material Alteration No. 40**- See Chief Executive's Meeting Report 1st July 2021
77. **Proposed Material Alteration No. 41** - See Chief Executive's Meeting Report 1st July 2021
78. **Proposed Material Alteration No. 42** - See Chief Executive's Meeting Report 1st July 2021
79. **Proposed Material Alteration No. 43**- See Chief Executive's Meeting Report 1st July 2021

80. **Proposed Material Alteration No. 44** - See Chief Executive's Meeting Report 1st July 2021

81. **Proposed Material Alteration No. 45** - See Chief Executive's Meeting Report 1st July 2021

82. **Motion: Cllr. Seamie Moore, Cllr. Fintan Brett, Cllr. Bill Clear, Cllr. Carmel Kelly, Cllr. Evie Sammon.**

To not progress with the Proposed Material Alteration for the area outlined in black below and to retain as 'Q: Office, Enterprise and Employment'.

83. **Proposed Material Alteration No. 46** - See Chief Executive's Meeting Report 1st July 2021

84. **Proposed Material Alteration No. 47** - See Chief Executive's Meeting Report 1st July 2021

85. **Motion: Cllr. Bill Clear and Cllr. Carmel Kelly**

That lands near the motorway previously zoned H Industry and warehouse remain as H subject to an updated flood risk assessment. This area is a core area for industry and it is important we keep it to sustain jobs in the area. Motion to not progress with proposed material alteration on lands outlined in Green in the map below.

86. **Proposed Material Alteration No. 48** - See Chief Executive's Meeting Report 1st July 2021

87. **Proposed Material Alteration No. 49** - See Chief Executive's Meeting Report 1st July 2021

88. **Motion: Cllrs. Fintan Brett, Cllr. Seamie Moore, Cllr. Carmel Kelly, Cllr. Bill Clear and Cllr. Evie Sammon.**

To not progress the Proposed Material Alteration to change the zoning objective of land as outlined in yellow on the map below at C (8) (i.e. site located between the Tipper Road and Blessington Road) and to revert to the zoning objective as shown in the Draft Plan.

89. **Proposed Material Alteration No. 50** - See Chief Executive's Meeting Report 1st July 2021

90. **Proposed Material Alteration No. 51** - See Chief Executive's Meeting Report 1st July 2021

91. **Motion: Cllrs Seamie Moore, Cllr. Fintan Brett, Cllr. Evie Sammon and Cllr. Carmel Kelly.**

That the Manager changes Lands in Kildare CC ownership, previously known as The Wastewater Treatment Site from 'Strategic Reserve' to 'Residential' and takes the necessary measures to avoid 'Land Locking' of the site's availability for future Social Housing.'

92. **Proposed Material Alteration No. 52** - See Chief Executive's Meeting Report 1st July 2021
93. **Proposed Material Alteration No. 53** - See Chief Executive's Meeting Report 1st July 2021
94. **Proposed Material Alteration No. 54** - See Chief Executive's Meeting Report 1st July 2021
95. **Proposed Material Alteration No. 55** - See Chief Executive's Meeting Report 1st July 2021
96. **Proposed Material Alteration No. 56** - See Chief Executive's Meeting Report 1st July 2021
97. **Proposed Material Alteration No. 57** - See Chief Executive's Meeting Report 1st July 2021
98. **Proposed Material Alteration No. 58** - See Chief Executive's Meeting Report 1st July 2021
99. **Motion: Cllrs. Bill Clear, Cllr. Nuala Killeen, Cllr. Aidan Farrelly and Cllr. Chris Pender.**  
  
To change the zoning of lands C (11) Kilcullen Road to F: Open Space and Amenity.
100. **Motion: Cllrs. Fintan Brett, Cllr. Seamie Moore, Cllr. Carmel Kelly, Cllr. Bill Clear and Cllr. Evie Sammon.**  
  
To change the zoning objective of land outlined in yellow below from 'Q: Office, Enterprise and Employment' to 'C: New Residential' to inform part of C (12), site located between Tipper Road and Blessington Road.
101. **Motion: Cllr. Bill Clear, Cllr. Nuala Killeen, Cllr. Aidan Farrelly and Cllr. Chris Pender**  
  
Objective of Kildare County Council to support sporting facilities to include athletics track at Killashee for Naas AC to develop all weather Athletics track. Motion to extend the Lap boundary to include the area outlined in yellow on the map below and zone 'F: Open space and amenity.
102. **Motion: Cllr. Seamie Moore, Cllr. Fintan Brett, Cllr. Bill Clear, Cllr. Evie Sammon and Cllr. Carmel Kelly**  
  
That Lands zoned C (5) as 'Phase 2 Residential' be reclassified as 'Phase 1 Tier 1 Residential Zoning with a Neighbourhood Centre'.

**103. Motion: Cllr. Evie Sammon**

That the Naas LAP should include the delivery of a neighbourhood centre on the Kilcullen Road including childcare facilities.

**104. Motion: Cllr. Fintan Brett, Cllr. Bill Clear, Cllr. Carmel Kelly, Cllr. Seamie Moore and Cllr. Evie Sammon.**

That the Manager's recommendation for Site Zoned P (2) Data Centre be extended to include the adjoining site Zoned I (now marked P) as per Map & Colour shaded in Pink.

**105. Motion: Cllr. Fintan Brett, Cllr. Bill Clear, Cllr. Carmel Kelly, Cllr. Seamie Moore and Cllr. Evie Sammon.**

'That the Manager's recommendation of Site Zoned E on the accompanying Map be reduced in size to include instead 'Residential & Neighbourhood Centre' as per Map marked & identified as 'C' 'N' & 'E'.

**106. Motion: Cllr. Seamie Moore, Cllr. Fintan Brett, Cllr. Bill Clear, Cllr. Carmel Kelly, Cllr. Evie Sammon.**

Change the zoning objective of land outlined in yellow in the map below from 'F: Open Space & Amenity' to 'Q: Office, Enterprise and Employment'.

**107. Motion: Cllr. Seamie Moore, Cllr. Fintan Brett, Cllr. Bill Clear, Cllr. Carmel Kelly, Cllr. Evie Sammon.**

Change Zoning for (the land outlined in yellow) K (1) to Neighbourhood Centre as per the attached Map.

**108. Motion: Cllr. Bill Clear, Cllr. Carmel Kelly and Cllr. Evie Sammon.**

Lands at Naas GAA to be changed from amenity to Infill residential.

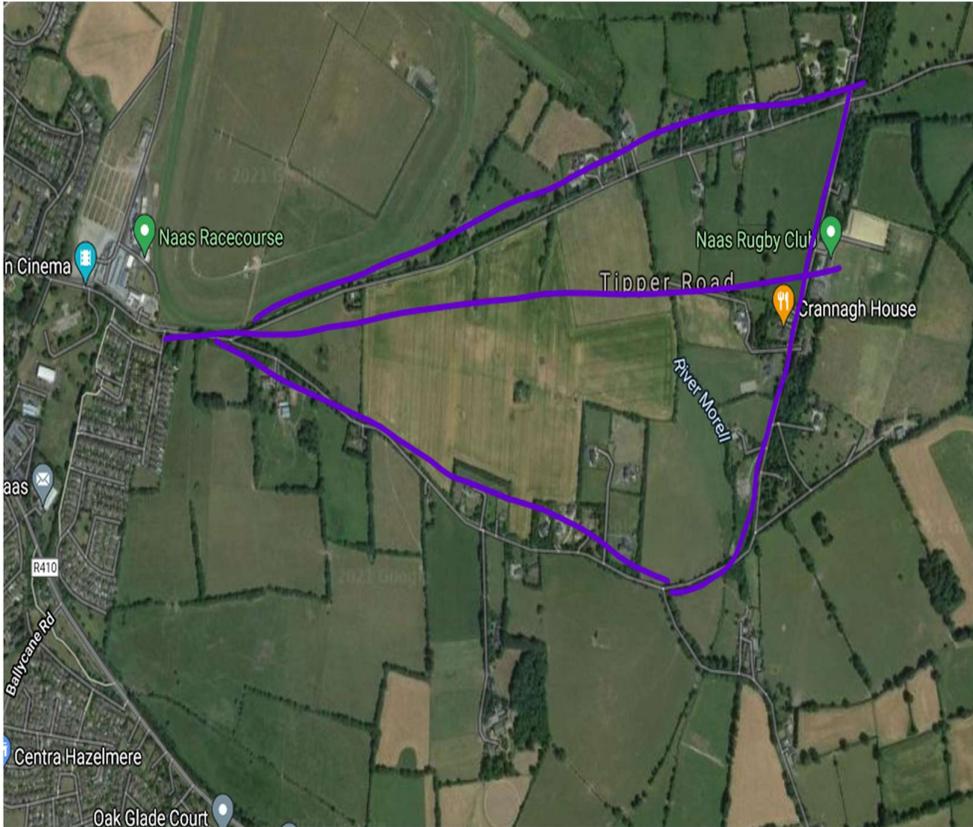

**Miscellaneous**

**109. Motion: Cllr. Vanessa Liston**

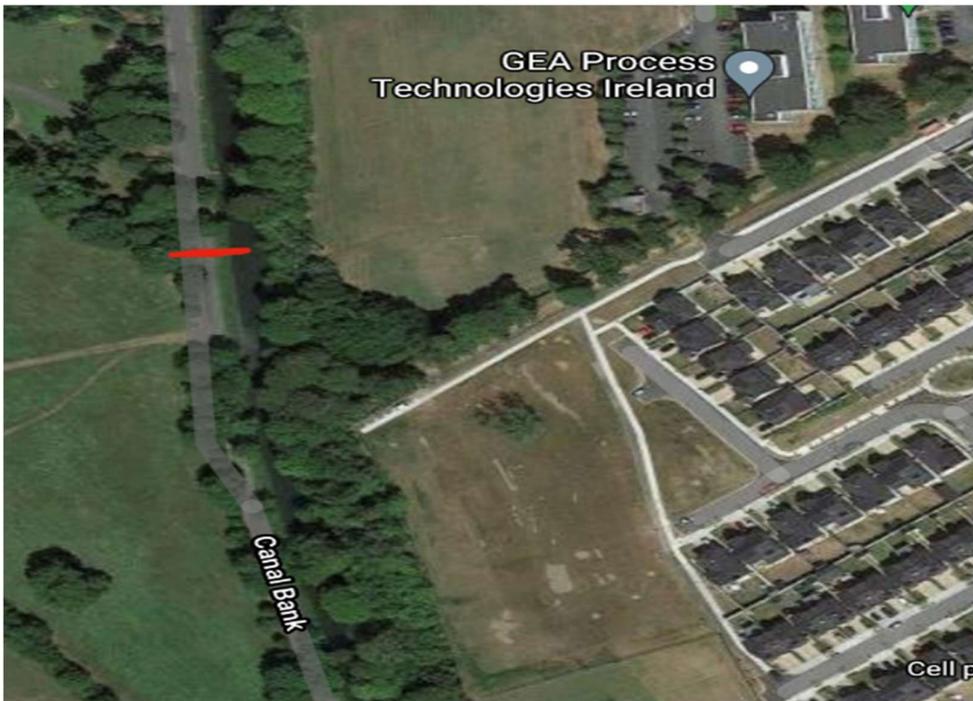

**Insert new objective:** 'To make GIS data and other relevant datasets, related to and developed for Naas during the lifetime of the plan accessible as open data and in a fully open licence format'.

**Reason:** To enable community free re-use and promote knowledge-creation and increased public engagement in planning processes during the lifetime of the plan
