Tairisceana na Comhairle Contae

Motions Kildare County Council

17. Motion – Councillors Fintan Brett, Evie Sammon, Kevin Duffy, Brendan Wyse, Tim Durkan, Peggy O’Dwyer and Mark Stafford

That Kildare County Council include additional funding in the upcoming budget estimates to fund additional projects staff for the Parks Department, Public Realm Team and the Heritage Officer.

18. Motion - Councillors Nuala Killeen, Aidan Farrelly, Bill Clear and Chris Pender

That the councillors collectively seek a briefing with the Minister and appropriate officials from the Department of Housing, Local Government and Heritage to discuss the significant deficit of appropriate funding and staffing levels to Kildare County Councils Baseline funding where the current needs and resources model of funding is based on the population figures as set out in the 1996 census of population, to acknowledge the increase in population in Kildare since then and also the increase in population that Kildare is tasked with absorbing and to discuss when the Department proposes to adequately fund the Council as per the current population in order to provide sufficient services to the public.

19. Motion – Councillors Mark Leigh and Aoife Breslin

That Kildare County Council writes to the Minister responsible for Local Government and for Planning with the following proposal: That as part of the conditions for planning applications for new housing estates, developers must install Automated External Defibrillators (AEDs).

20. Motion – Councillor Joe Neville

That the council ensures that the Public Realm team sets out equal projects by municipal district in the Capital Budget. The current Public Realm plan in the Capital Budget lacks balance and if Public Realm is to be a key driver of funding, we need to ensure we have a countywide approach in its focus.

21. Motion – Councillor Tracey O’Dwyer

That Kildare County Council implement a simple document track and receipt system to be operated through the main reception counters in Áras Chill Dara.

22. Motion – Councillor Íde Cussen

That Kildare County Council as a landlord of houses in private estates reviews the current Residents Association Grant Scheme and factors in the voluntary contribution that is required in order for residents associations to pay for basic grass cutting and maintenance works in private housing estates.

23. Motion – Councillor Colm Kenny

That the explanations of locally derived housing estate names be published to inform new residents and the wider public of their locally linked heritage. The use of names such as Finlay Park, Mullen Park and Whitewell are welcome but require explanation.

24. Motion – Councillor Vanessa Liston

That the council runs a trial of single recycling receptacles alongside general waste bins in suitable locations in the county with the view to measuring and evaluating the potential impact of segregated street bins on diverting waste from landfill/recovery to recycling.
