Tairisceana na Comhairle Contae Motions Kildare County Council

11. **Councillors Noel Connolly and Carmel Kelly**

Go leanfadh Comhairle Contae Chill Dara sampla Chomhairle Cathrach na Gaillimhe maidir le fodhlíthe a chur i bhfeidhm atá cosúil lena Teorainn SPEISIALTA LUAIS Fodhlíthe UIMH. 1 2020, ag soláthar d'uasteorainn luais 30kph in eastáit tithíochta laistigh de Chontae Chill Dara.

That Kildare County Council follow the example of Galway City Council in implementing bylaws similar to their Special Speed Limit Bye-Laws No.1 2020, providing for a maximum speed limit of 30kph in housing estates within County Kildare.

12. **Councillor Seamie Moore**

In view of the concerns that have arisen in Ireland and in all of our communities around immigration and the need to show solidarity and inclusiveness with new families in our neighbourhoods, with new co-workers in our work force and with new youthful members in our schools and clubs, that a Community Integration Sub-Committee be established in each Municipal District of Kildare County Council to facilitate the development of a more harmonious Irish society.

13. **Councillor Rob Power**

That the council consider the inclusion of Kildare-Newbridge Municipal District in shared projects that may be proposed by the Clane-Maynooth or Athy Municipal Districts under recent calls for Just Transition Funding.

Kildare County Council

14. Councillor Peter Hamilton

That the council report on the feasibility of the use of the World Health Organisation developed Health Economic Assessment Tool (H.E.A.T.) to calculate the impact of active travel schemes in reducing carbon emissions for Kildare.

15. Councillor Noel Heavey

That the council outline its policy and measures actually in place to protect wildlife in our rapidly developing county to include facilities and measures presently in place to treat injured/ threatened wildlife.

16. Councillor Bill Clear

That the council introduce dimming street lights that are biodiversity friendly particularly for nocturnal animals and bats throughout their public lighting areas which will also introduce energy efficiency in our street light network.
