That the council ensure that any extension of the sound barrier proposed for the M4 continues past the houses at Beech Park and Barnhall Meadows, Leixlip or indeed any new estates close to the M4.

11. Motion – Councillor Joe Neville

That Kildare County Council contact South Dublin County Council and work with them to secure a second lane exit at the roundabout on the junction past the Springfield Hotel getting onto the N4. Each morning traffic is regularly backed up to the Salmon Leap due to a consistent flow of traffic coming from the Celbridge side and with the new road at Adamstown and Leixlip cars can't get out even when the N4 is quite light with traffic. This bottleneck is unnecessary and a small change at the roundabout would improve the flow significantly.
