Transport, Mobility and Open Spaces

Transport

4. **Motion – Councillor Declan Ryan**
   That the council installs a left-turn green arrow on the traffic signals opposite the exit of St. Wolstan's Shopping Centre in Celbridge, to improve the traffic flow for motorists exiting left onto the main road as the current position of the green left-turn arrow at the junction cannot be seen by drivers waiting to exit, causing unnecessary delays.

5. **Motion – Councillor Declan Ryan**
   That the council installs additional 30km/h speed-limit signs, or appropriate speed reduction signage, on St. Patrick's Park, Celbridge to encourage drivers to reduce speed and improve road safety for all road users.

6. Motion – Councillor Bernard Caldwell

That the council considers putting a safe pedestrian road crossing at the entrance to the Aldi Store in Leixlip.

7. Motion – Councillor Rupert Heather

That the council implements comprehensive road-safety improvements on the R405 at Primrose Hill National School, Celbridge aimed at creating a safer environment for children walking, cycling and travelling to school.

8. Motion – Councillor Rupert Heather

That the council re-engages with St. John of God regarding the use of the Celbridge Abbey Car Park and begin wider discussions to identify how the lands at Celbridge Abbey could be used for community facilities, recreation and other purposes that would benefit the people of Celbridge.

9. Motion – Councillor Claire O'Rourke

That the council, in its capacity as the Roads Authority, provides a detailed section-by-section programme and timeline for the completion of all roadworks associated with the Uisce Éireann Crodaun Wastewater Network Upgrade on the R405 Maynooth Road, including the projected overall completion date for the scheme.

10. Motion – Councillor David Trost

That the council consider additional traffic calming measures on the Maynooth Road, Celbridge from Tesco Junction to Beatty Grove where a traffic survey was previously requested (CL07/0925), including additional speed ramps or rumble strips to reduce the level of speeding as this section of the Maynooth Road has a past record of incidents especially at entrances to the estates.

11. Motion – Councillor Paul Brooks

That the council considers the introduction of a pedestrian crossing from Confey GAA to Confey Cemetery.

12. Question – Councillor Rupert Heather

Can the council provide an update on the progress of the proposed Celbridge Active Travel Bridge, including land requirements, funding and the anticipated construction timetable?

13. Question – Councillor Bernard Caldwell

Can the council provide an update on the opening of the new road adjacent to the Kildare Innovation Campus on the Celbridge Road, Leixlip?

14. Question – Councillor Claire O'Rourke

Can the council provide an update on the planned public consultation process for the Celbridge and Environs Area Based Transport Assessment (ABTA), including the proposed dates and arrangements for the public drop-in event, the online travel survey and the targeted engagement sessions with key stakeholder groups, including schools, businesses and community organisations and confirm how and when these consultation opportunities will be publicised to the public?

15. Question – Councillor Claire O'Rourke

Can the council provide an update on the status of the proposed landscaping works at the entrance to the Wonderful Barn/ Barnhall Meadows area in Leixlip, which were committed to following the unauthorised encampment in 2025?

16. Question – Councillor David Trost

Can the council confirm, as the Uisce Éireann works at Castletown/Maynooth Road/ Crodaun, Celbridge are nearing completion, when the speed ramps and road markings will be repaired and restored on the roads impacted by the diversions and on the route of the roadworks?

17. Question – Councillor Nuala Killeen

Following the recent announcement of Housing Infrastructure Investment Fund (HIIF) funding for the Captain's Hill Upgrade in Leixlip, can the council provide an update on the approved funding, project scope, total cost, any outstanding funding requirement, current project status, anticipated delivery timeline, the relationship with the Captain's Hill Active Travel Scheme, and any elements of the wider Captain's Hill/ Confey transport infrastructure programme for which funding has not yet been secured?

18. Question – Councillor Paul Brooks

Can the council provide details of when final road reinstatement and levelling will be undertaken by Uisce Éireann contractors on the L1015, Leixlip now that works have been completed?

Parks

19. Question – Councillor Declan Ryan

Can the council provide the schedule for the upcoming Tree Pruning Programme across the Celbridge-Leixlip Municipal District, including the locations where works are planned and the anticipated timeframe for completion?

20. Question – Councillor Declan Ryan

Can the council provide members with the outcome of the recent survey of residents in Celbridge regarding facilities for teenagers, outlining the key findings and advise how it intends to proceed in developing and delivering appropriate youth facilities based on the results?

21. Question – Councillor Rupert Heather

Can the council provide details of the number and location of allotments in the municipal district, the number of people on the waiting list, and whether suitable council-owned land can be identified to provide additional allotments to meet demand?

22. Question – Councillor David Trost

Can the council supply the list of trees to be pruned/removed by the contractor for review now that the nesting season is over and the work is being scheduled?

Tithíocht, Athnuachan agus Daoine
Housing, Regeneration and People

23. Question – Councillor Paul Brooks

Can the council provide details of the timeline for the repair of the roof and refurbishment of Roantree House in Leixlip Village?

Seirbhísí Corporáideacha, Cultúrtha agus Éigeandála
Corporate, Culture and Emergency Services

24. Motion – Councillor Claire O'Rourke

That the Celbridge-Leixlip Municipal District write to the Health Service Executive and the Department of Health expressing concern regarding reports from residents who are unable to register with a local General Practitioner (GP) in Celbridge due to capacity constraints, and seeking details of:

- Current GP and primary care capacity in the Celbridge area;
- Planned expansion of GP and primary care services to meet existing and projected population growth;
- Measures available to assist residents who are unable to access a regular GP; and
- How healthcare infrastructure is being considered alongside ongoing residential development in the town.

25. Motion – Councillor David Trost

That €7,000 of the €10,000 LPT Funding for 2026 for Leixlip Village Renewal Group is retained for next year for the purpose of their Family Fun Day (which was cancelled this year) and the remaining €3,000 is retained for use this year by the group towards the Christmas Market local event for families.

26. Motion – Councillor Nuala Killeen

That, following the current consultation on the Intel Ireland External Emergency Plan, the council develops a Leixlip Community Emergency Preparedness Programme, in partnership with relevant agencies and community organisations, to ensure residents are informed and prepared in the event of a major emergency. The programme should include measures to support effective public communication and provide appropriate consideration for vulnerable residents, including children, older people and people with disabilities. That a report on the programme and consultation outcome be presented to the Celbridge-Leixlip Municipal District.

Pleanáil, Fiontraíocht agus Forbairt Eacnamaíoch
Planning, Enterprise and Economic Development

27. Motion – Councillor Bernard Caldwell

That the council requests Ballymore Group to consider making the entrance onto the canal at Cope Bridge, Leixlip a priority when they start to develop the adjacent lands.

28. Motion – Councillor Nuala Killeen

That the council adopts an "Infrastructure First" approach for the Confey development area and provides elected members with a single Infrastructure Delivery Plan setting out required transport, active travel, public transport, community, recreational and other supporting infrastructure, including delivery status, funding, responsible agencies, timelines, and the alignment of infrastructure delivery with housing occupation.

29. Motion – Councillor Paul Brooks

That the council, in terms of their plans in relation to dereliction in Leixlip Village, considers the possibility of introducing a Workspace Hub in the village.

30. Question – Councillor Nuala Killeen

Given the designation of Confey as a strategic growth area for housing delivery, can the council confirm whether existing and planned infrastructure has sufficient capacity to support the population growth envisaged under the Confey Masterplan, including education, childcare, healthcare, public transport, walking and cycling infrastructure, roads and junctions, water and wastewater services, recreational facilities and emergency services; and, where deficits have been identified, outline the infrastructure required, the responsible agency, the funding position, and the steps being taken to address these deficits before significant housing occupation occurs?
