Building and Development Control

3. Motion – Councillor Durkan

That a full and comprehensive update is given in relation to the taking in charge of all estates within the municipal district to include the following:

(A) What stage in the process is each estate at.

(B) What problems are holding up the taking in charge process for each estate concerned.

(C) What is the projected time frame for taking in charge on an estate by estate basis.

(D) How long each estate is waiting to be taken in charge since occupation of the last house sold.

4. Question – Councillor Feeney

Can the council give an up to date report on the Taking in Charge (TIC) of Newtown Hall Estate to include details in relation to the bond, a works programme outlining when the SNAG list will be dealt with and why the council has not met with the Residents Association to discuss the TIC of their estate?

5. Question - Councillor Hamilton

Can the council outline the process, including any applicable timeframes or governing regulations for estates which have not been taken in charge over an unacceptably long period and how the rights of the residents are supported where any influence on a developer or other activities have ceased.

Roads

6. Adjourned Motion – Councillor McEvoy

That the council consider a tabletop ramp for traffic calming at the junction of the R403 and L7081 in Prosperous.

7. Motion – Councillor Weld

That at least one disabled parking bay be installed in the village of Johnstown, (Enfield).
