5. Motion – Councillor Donna Phelan

That the council carries out a traffic survey on Ballygoran Road, Maynooth to establish traffic volumes, vehicle types and speeds, including during peak commuting and school transport times, given residents' concerns about increasing traffic on this narrow rural road, and reports the findings to members to inform consideration of appropriate road safety measures.

6. Motion – Councillor Donna Phelan

That the council reviews the effectiveness of the SCOOT Urban Traffic Control system in Maynooth, including detector locations, signal timings, signal plans and junction coordination. The review should identify queue-spillback locations and recommend short-term measures to improve traffic flow pending delivery of the Maynooth orbital roads, having regard to a resident population of over 18,000, a student population of approximately 18,500 with an estimated 6,000 students commuting by private car.

7. Motion – Councillor Angela Feeney
