8. **Motion – Councillor Peter Melrose**

That the council undertakes an assessment of Moyglare Road, Maynooth for the introduction of traffic calming measures, including but not limited to, raised pedestrian crossings, speed ramps and driver speed feedback signs.

9. **Motion – Councillor Peter Melrose**

That this council carries out an assessment of Bridge Street, Kilcock, focusing on road width, footpath width, traffic flow and the impact of current parking arrangements on bus movement, pedestrian safety and cycling access.

10. **Motion – Councillor Angela Feeney**

That the council engages with relevant bus service providers to increase the number of Real Time Passenger Information (RTPI) screens at bus stops given the rise in the number of buses in Maynooth.

11. **Motion – Councillor Donna Phelan**

That the council undertakes a feasibility study to assess the extension of the existing footpath along the R405 from the Maynooth Eastern Ring Road (MERR) junction to the bridge crossing the N4, in order to improve pedestrian safety and connectivity for residents in the Barrogstown area, Maynooth, enabling safe access to local schools, shops and services, as this route is currently heavily trafficked and lacks continuous pedestrian infrastructure, presenting a significant safety concern, particularly for families and school children.

12. **Motion – Councillor Angela Feeney**

That the council installs a yellow box road marking at the St John of God service on Moyglare Road, Maynooth.

13. Motion – Councillor William Durkan
