8. Motion – Councillor Carmel Kelly

That this council request funding from the National Transport Authority to prepare a comprehensive Traffic Management Plan for Sallins.

9. Motion – Councillor Evie Sammon

That the council reinstall the temporary pedestrian crossing in Kill until such time as a permanent pedestrian crossing is installed.

10. Motion – Councillor Evie Sammon

That the Naas Municipal District write to the ESB and ask them to expedite the repairs and re-supplies service to the lights at the lakes in Naas.

11. Motion – Councillor Bill Clear

That the council replaces the public lighting in Monread Park and at the lakes with new LED type lights for the safety of people using the parks at night and reduce anti-social activity.

12. Question – Councillor Anne Breen

Can the council provide an update with regard to the Marshalsea Shopping Centre in Naas being purchased for development?

13. Question – Councillor Bill Clear

Can the council confirm the up to date position regarding the €300,000 assigned to the Naas Community College and the Community National School for cycle scheme on Craddockstown Road?

14. Question – Councillor Bill Clear

Can the council confirm that the Dublin Road cycle scheme in Naas will be prioritised as a greater Dublin smarter travel scheme project?

15. Question – Councillor Evie Sammon

Can the council provide the members with an update on their discussions with KWETB and stakeholders on traffic issues regarding Pipers Hill Campus?

16. Question – Councillor Vincent P Martin

Can the council confirm details of its constructive input to date in playing a meaningful, effective and active role in resolving the traffic problems and the current inadequate set down only parking areas on Pipers Hill campus especially in the context that it was the council which initially zoned the lands in question and subsequently granted planning permissions for the developments thereon (in Pipers Hill)?

17. Question – Councillor Vincent P Martin

What has been the overall cost of the M7/Osberstown (Sallins Bypass) contract to date to include what proportion of monies have been paid to the joint venture minus any land acquisition costs and other ancillary costs associated with construction but including any additional claims the joint venture has submitted and of these claims which have been agreed and which are outstanding/going to conciliation?
