11. **Motion – Councillor Fintan Brett**

That the council, as a matter of urgency, prioritises the installation of a roundabout at Beggars End Punchestown due to the complexity of this junction.
12. **Motion – Councillor Fintan Brett**

That the council trims the road verges on the local roads, especially those on the outskirts of towns and villages in the municipal district. These roads are used by walkers and the growth of briars and nettles onto the roadway make it impossible for walkers to step in off the road when meeting traffic.
13. **Motion – Councillor Anne Breen**

That the council considers modifying the road ramp adjacent to the Johnstown Cottages at the T junction in Johnstown Village to reduce the excessive noise emanating from HGV’s crossing over the ramp. This situation is causing an environmental issue affecting the quality of life for neighbouring residents.
14. **Motion – Councillor Seamie Moore**

That the council undertakes a review of the Kilcullen roadworks immediately to alleviate the issues created by omissions and new road design at such a busy junction that now poses difficulties for pedestrians, cyclists, long vehicles and general motorists.
