24. Deferred Motion – Councillor Seamie Moore

Following the recent successful festival visit of over 30 boating vessels, organised by members of the Kildare Branch of the Inland Waterways Association of Ireland (IWA), to Naas Canal Harbour and their inability to access the Corbally Canal beyond the Jigginstown Road culvert, the elected members of Naas Municipal District now again seek to have suitable Consultants undertake a study to evaluate the cost and necessary engineering inputs that will be required to open this 8.5 kilometre waterway to boating and water sports enthusiasts for the future 50,000 population of Naas and an area catchment of 125,000.

25. Motion – Councillor Bill Clear

That the council endeavours to zone specific lands for a community crèche in the Naas Municipal District where at present, there is only one community crèche in the entire county, and none serving the fastest-growing town in Kildare.
