6. Motion – Councillor Ger Dunne

That the council installs stop or yield signs at the junctions of Devoy Terrace and the ESB houses with the entrance to Arconagh Estate, Naas.

7. Motion – Councillor Fintan Brett

That the council installs yellow lines at Gleann Na Riogh Close, Naas adjacent to the junction with Monread Avenue for safety reasons.

8. Motion – Councillor Carmel Kelly

That the council identifies funding and resources to carry out a full clean-up, conservation, and maintenance works on the public sculpture piece commonly known as "The Naas Ball". Specifically, that the works would include: Professional cleaning of the sculpture to remove dirt and environmental staining, inspection and minor repairs to address any damage or wear and protective treatment to help prevent weathering.

9. Motion – Councillor Carmel Kelly

That the council officially notifies Councillors when timelines for projects/works in this municipal district are delayed/and or postponed indefinitely.

10. Motion – Councillor Anne Breen

That the council considers the installation of double yellow lines in front of dropped kerbs in any future planning regulations and investigates the possibility of installing them in existing housing developments and towns in this municipal district to help facilitate access for wheelchair users and those with mobility issues.

11. Motion – Councillor Anne Breen

That the council investigates environmental issues in relation to noise pollution near Johnstown Village from articulated lorries entering and leaving the Distribution Centre outside business hours causing excessive noise in the neighbourhood.

12. Motion – Councillor Evie Sammon

That the council addresses the recurring flooding on the R413 in Ballymore Eustace, which originates from a natural spring and has impacted local residents following the resurfacing of the road, and outlines the remedial drainage measures planned to resolve the issue.

13. Question – Councillor Fintan Brett

Can the council confirm when the replaced stairs section of the Johnstown pedestrian bridge over the N7 will be re-opened?

14. Question – Councillor Fintan Brett

Can the council confirm if it plans to provide enhanced signage at the roundabout at Earls Court, Kill for safety reasons?

15. Question – Councillor Anne Breen

Can the council provide an update on progress to restrict Heavy Goods Vehicles (HGVs) travelling through the centre of Sallins Village?

16. Question – Councillor Evie Sammon

Can the council provide an update on the progress of traffic calming measures, safe crossing points, and the roll-out of the Safe Routes to School infrastructure across Naas Municipal District schools still awaiting these measures as we begin the new academic year?

17. Question – Councillor Evie Sammon

Can the council provide an update on the current status and delivery timelines for transport projects funded under the Naas Municipal District Local Property Tax allocations?

Parks

18. Motion – Councillor Ger Dunne

That the council provides suitable age friendly seating at the green area on the Newbridge Road, Naas at the front of Devoy Terrace.

19. Question – Councillor Anne Breen

Can the council provide an update on any action taken to rectify the weed proliferation overgrowing the lakes in Naas?

Tithíocht, Athnuachan agus Daoine Housing, Regeneration and People

20. Motion – Councillor Bill Clear

That the council gives serious consideration to the potential purchase of the building at Naas Harbour known as Market House, with a view to bringing this important property into public ownership and securing its future use for the benefit of the local community.

21. Motion – Councillor Evie Sammon

That the council provides an update regarding the timeline for the affordable housing development at Barracksfield West, Naas, specifically outlining the circumstances surrounding the duration between the opening of the application portal and the final move in dates for purchasers, and detailing any measures being taken to streamline this process for future phases and similar housing developments.

22. Question – Councillor Ger Dunne

Can the council outline the current position on both the houses and residents of St. Ita's Place Estate in Naas and clarify the role and responsibility of the housing body?

23. Question – Councillor Bill Clear

Can the council confirm the current position regarding St David's Castle in Naas, and when can the elected members expect to see a clear plan for its future use and development?

Pleanáil, Fiontraíocht agus Forbairt Eacnamaíoch
Planning, Enterprise and Economic Development

24. Motion – Councillor Seamie Moore

That the council invites Waterways Ireland to share the cost in 2027 to carry out a Feasibility Study on the possible re-opening of the Naas-Corbally Canal, where the basic infrastructure and sustainable water feeder supplies are already in existence, as a 'returned to use waterway' for boating and water sports, in conjunction with its already approved future use as a walking-cycling Greenway, for the benefit of a future, 2040, Naas-Newbridge hinterland population of more than 120,000 people.

25. Motion – Councillor Bill Clear

That the council considers commencing the statutory process to vary the Naas Local Area Plan, with a view to reviewing the existing "P Data Centre" zoning designation on lands at Jigginstown/Maudlins, Naas.

26. Question – Councillor Seamie Moore

Can the council provide an update on the results of the examination of the remains of almost 200 skeletons, that were removed to a Cork laboratory after being located at Gallows Glen in Naas earlier this year and advise if there are any plans to have the skeleton remains returned to Naas and buried with dignity and respect in a Communal Grave in the local cemetery?

27. Question – Councillor Seamie Moore

In the light of the recent Heritage Week and the publishing of a beautiful Kildare County Council booklet on almost 100 events to which the public were invited, wherein the historic Naas Town had only two single person events listed, can it be explained how these events are selected and if historians, caretakers, curators, custodial groups or knowledge and informed people are invited to assist with a promotion attendance to explain the historic, natural and industrial heritage, cultural, social or landmark featured values of Naas Town? Or, is it left to local interest groups or individuals to offer themselves as organisers of a walking/visiting/ talking promotion of events in their areas or has this type of community involvement been abandoned in favour of the downloading of an Audio Guide?

Airgeadas, Seirbhísí Digiteachta agus Nuálaíocht
Finance, Digital Services, Innovation and Governance

28. Motion – Councillor Seamie Moore

That the council's budget allocations for 2027 to Residents Associations (RAs) in Naas Municipal District be reviewed upwards to cater for

- a) cost inflation since last review,
- b) the increase in both the number of towns and villages within the municipal district and the number of Residents' Associations across the Naas area, all of which must now share the same overall annual funding allocation,
- c) the removal of support funding for residential project supports, environmental improvements, tree pruning, annual children's games-day, rubbish removal skips and insurance support.

29. Question – Councillor Bill Clear

Given the extensive residential development planned across the Naas Municipal District over the coming years, and the requirement that 50% of development levies collected locally be spent within the area, has Kildare County Council developed a strategic plan to identify and purchase suitable lands for additional sporting facilities, including pitches and facilities for GAA, soccer, basketball, cricket, bowls, hockey and athletics, to ensure that sporting and community infrastructure keeps pace with population growth?

Aeráid, Comhphobal, Timpeallacht agus Uisce
Climate, Community, Environment and Water

30. Motion – Councillor Fintan Brett

That the council agrees a funding stream with the Naas Municipal District elected members to provide multiple CCTV systems for use at dumping blackspots in the municipal district.
