Transport

5. That this council consider the amendments to the parking tariff rate charges for Naas (previously circulated).

6. That this council consider the amendments to the parking tariff rate charges for Sallins (previously circulated).

7. To note the commencement of Section 38 of Road Traffic Act 1994 (as amended): Proposed bus stop enhancement works at 2 locations in Monread Industrial Estate, Naas, Co. Kildare.

8. **Motion – Councillor Bill Clear**

That the council urgently examines and designs a safe pedestrian crossing from the Swans on the Green area towards SuperValu, Naas, to provide a safer crossing point for the large number of pedestrians and cyclists along this busy route, particularly to and from schools in the area.

9. **Motion – Councillor Seamie Moore**

That the council provides an explanation and an apology to the residents as to why machinery recently working at late evening time in the Town Hall Lane, closed off the only exit and entrance to the Residents of Abbey Street, Abbey Hill, Abbey Bridge and Canal Bank, for several hours, forcing motorists to drive against the flow of traffic, up the 'One Way Only' Moat Lane, using their flashing lights as their only safety protection in this highly dangerous manoeuvre.

10. **Motion – Councillor Fintan Brett**

That the council engages with Transport Infrastructure Ireland (TII) to have the blockage in the drainage system on the underpass at Goff's Kill removed. This is a busy route and is flooded for the past 5 weeks.

11. **Motion – Councillor Anne Breen**

That the council investigates and carries out works to remedy the flooding in the pedestrian connection from Kill Village to Goffs Hotel which is seriously affecting pedestrian access through the underpass.

12. Motion – Councillor Anne Breen

That the council investigates and rectifies issues at New Row/ Newbridge Road Car Park to tackle double parking, obstructive parking, traffic management and overall maintenance. This should include clear and prominent signage identifying parking bays, areas where parking is prohibited, installation of yellow lines markings where parking would obstruct access or the free movement of traffic and refreshing the existing white lines on parking bays and also increasing the surveillance by traffic wardens.

13. Motion – Councillor Evie Sammon

That the council provides an update on the use of the canal road by construction traffic for the new build of St. Mary's College Naas.

14. Question – Councillor Carmel Kelly

Can the council confirm if the provision of a bus shelter at the Sallins Park bus stop in Sallins is included in its works programme, funding applications, or delivery plans for 2027, and if not, whether the council plans to engage with the National Transport Authority and relevant stakeholders to progress the installation of a shelter at this location.

15. Question – Councillor Bill Clear

Can the council outline the estimated cost of resurfacing the Maudlins Road, Naas from Monread Avenue towards the Dublin Road, given the deterioration of the road surface and the resulting increase in traffic noise being experienced by local residents?

16. Question – Councillors Evie Sammon

Can the council provide an update on planned safety measures and speed attenuation controls proposed for main arterial routes through local villages in the Naas Municipal District?

17. Question – Councillors Evie Sammon

Can the council provide an update on when vegetation along footpaths will be removed and hedges will be cut back within the Naas Municipal District?

Parks

18. Motion – Councillor Carmel Kelly

That the council provides an update on the feasibility study for the proposed pedestrian and cycling link connecting Sallins and Naas to the new Kerdiffstown Park, for which funding of €45,000 was awarded under the Outdoor Recreation Infrastructure Scheme (ORIS) in August 2025.

19. Motion – Councillor Fintan Brett

That the council examines the tree pruning carried out by ESB sub contactors at Johnstown Manor and ensures that all their debris is removed.

23. Motion – Councillor Bill Clear

That the members of the Naas Municipal District write to the Garda Commissioner requesting that An Garda Síochána give urgent consideration to establishing a Garda Station in Kill, Co. Kildare in light of the continued growth of Kill and the surrounding area, together with concerns raised by residents regarding reported increases in crime and anti-social behaviour.

The members further request that the Garda Commissioner undertake a review of policing requirements in Kill and the surrounding communities, including current Garda resources, response times and crime levels, with a view to providing a permanent Garda presence in the village.

24. Question – Councillor Bill Clear

Can the council confirm the number of incidents attended by Kildare Fire Service within the Naas Municipal District in each of the past five years where the cause of the fire was recorded, suspected or subsequently determined to be arson, or deliberate ignition?

25. Question – Councillor Seamie Moore

Can the council, working with the National GAA body, Kildare GAA County Board and the local Naas GAA Club, now commence discussions to identify a suitable commemorative event and sculpture piece for the Naas Area, to give recognition to the 100 years occasion of the first awarding of the now world-famous Sam Maguire Trophy and its first winning by Kildare Senior Football team, spearheaded by five Naas Club members, in 1928?

28. **Motion – Councillor Seamie Moore**

That the council explains and indicates if the present system of simple mathematical division to each municipal area of the Annual Government Income to Kildare County Council in the form of its returned Local Property Tax, the Local Adjustment Factor of Discretionary Local Property Tax or the division of the Development Contribution Scheme across Countywide projects, will remain as a function of Kildare County Council or will such funds as are generated in the new Naas Municipal Council Areas, remain in that Naas Municipal Area.

29. **Question – Councillor Seamie Moore**

Can the council confirm if it is possible to use the new Government authorised Local Authority borrowing facility of up to €200m to purchase the Naas Market House for a Regeneration Project to include Residential Accommodation or could the facility be used to purchase and develop sports lands to balance the overstretched, essential and inadequate Community Infrastructure of Naas Municipal District, due to our approval of huge development numbers of new homes and added population growth as requested by National Government?

Aeráid, Comhphobal, Timpeallacht agus Uisce
Climate, Community, Environment and Water

30. Motion – Councillors Evie Sammon and Carmel Kelly

That the council provides the Naas Municipal District members with a copy of the feasibility study for Naas District Heating Scheme.

31. Question – Councillor Fintan Brett

Can the council update members on progress on the Kilteel Group Water Scheme (GWS) replacement scheme?

32. Question – Councillor Anne Breen

Can the council confirm what plans it has to facilitate the disposal of old Christmas trees in the Naas Municipal District after the Christmas festivities?

33. Question – Councillor Ger Dunne

Can the council provide information on any plans for a new public cemetery to serve Naas when Saint Corban's Cemetery reaches capacity and when this is expected to happen?
