INFORMATION FOR APPLICANTS

The bursaries are designed to provide an opportunity to study at third-level to persons who may not be able to undertake a course of study because of serious disadvantage or disability. The William G. Carroll Bursary will be directed mainly, but not exclusively, at third-level courses in the field of community development. The Kildare Education Bursary for People with Disabilities is for any third-level course undertaken by an individual with a learning or physical disability that may impede their education. The Kildare County Council Memorial Bursary will be directed at students who had previously studied in DEIS schools (Delivering Equality of Opportunity in Schools). DEIS schools are schools which help people who are at risk of or are experiencing an educational disadvantage.

DETAILS OF BURSARY:

The three bursaries will be funded from monies allocated by Kildare County Council in its annual budget and may be granted in respect of applicants who meet the eligibility criteria. The Bursaries will continue for each of the succeeding years of attendance at the third-level institution (unless otherwise decided) subject to a maximum of 5 years in any one case, and subject to the level of funding available. Bursaries cannot normally be deferred. The continuation of the Bursary will be subject to certification by the head of the relevant faculty of the candidate's satisfactory performance, including attendance and results for each academic year.
